Board Accepts Proposal For Zone Change

by LEE ANN MACKULIN

The Antioch Village Board gave its approval of the much debated proposal by Joe Patrovsky to change the zoning of Johella Country Estates at the June 3 meeting.

The move to change the lots from single family to duplex was approved by the planning board but strongly rejected by the zoning board at recent meetings.

The concern of the zoning board was that the change would have a negative effect on adjacent property. This was sparked by the appearance of a representative of Federal Savings and Loan Insurance Corp. (FSLIC) at the May 29 meeting.

"It's not homogeneous. Johella and Country Ridge (the adjacent property owned by FSLIC) should be treated the same," said representative John Hoppe.

The change would have a negative ef-

fect...a depreciating effect on Country Ridge," he said.

Another reason for their denial was the zoning being "contrary to established land use patterns."

The village board, however, felt the change would be more beneficial than not to the community.

"They (FSLIC) haven't yet approached the board asking for zoning changes so they 'haven't a leg to stand on,'" said Mayor Raymond Toft.

The new inexpensive housing (\$50-\$60 thousand) will benefit younger families wishing to move into a home and also the elderly who require a smaller home.

In other board action, an amendment to an off-street parking ordinance was approved to include specific use for the handicapped and disabled veterans.

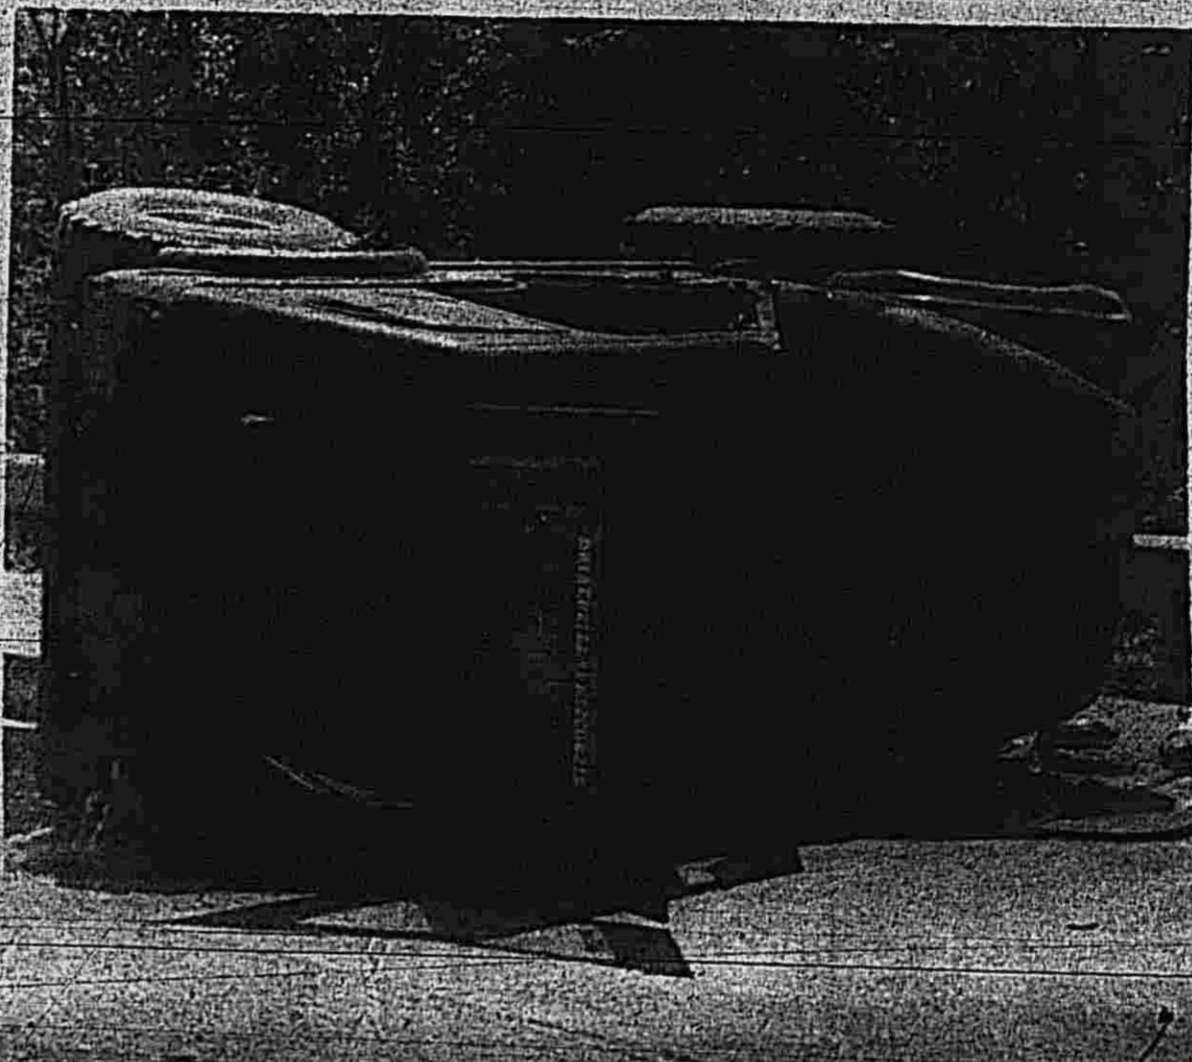

An annexation ordinance was also passed stating that any parcel of unincorporated land under 60 acres, but bound by one or more municipalities, would be annexed to the village.

A proposal to build a mobile home park on Rt. 173 was brought to the board by Marty Gertz of the Triple G Oil Co.

The plan would be to build a trailer park that would "see to the needs of senior citizens...that is our intent. However we would not discriminate to a family wanting to move in if they met our requirements," said Gertz.

"I believe there is a demand for these...I believe they would be in demand," said Toft.

However, Gertz must first prepare an outline of the said park and present it to the planning and zoning commissions, said Toft.

Causes Fatality

An accident June 1 claimed the life of Adolph Banko, 40. The car, driven by Jeffery Kemp, 20 of Janesville, Wis. went out of control, hitting Banko who had been fishing off of the Fox River Bridge. See page 3A for details.—Photo by Gloria Davis.

Proposed Tavern Studied By Commission

by LEE ANN MACKULIN

A hearing 7:30 p.m. July 3 will end the disputed proposal of bringing another tavern onto Antioch's Main Street.

A Zoning Board meeting May 29 saw Mike Mazuka present his case to the skeptical board. The building in question is the old EJ's Camera Store. A change to 'special use' would be required if a tavern was brought in.

For zoning to include special use the board must consider the interest of public convenience and if it's detrimental to people or injurious to property value.

Mazuka had run a tavern on Rte. 173 until 'contractual disagreements' with his landlord lead to his seeking a new location.

Unable to reach a decision, board members met the wishes of the Antioch Redevelopment Commission to wait 30 days for them to do a study on the impact of the tavern on the community.

"We have appointed a committee of commission members that will be working with legal council to develop guidelines for the business district. The guidelines will be general in nature but will provide an indication of the types of businesses needed," said Michael Warren head of the commission.

"These guidelines will be used to respond to any changes not just the one in question," said Warren.

"The redevelopment (of the east side of Main Street) may result in a \$5 million expenditure. We want to insure that all of the property value is maximized," he said.

"In the end we'll look back and see that having to deal with this specific question has lead to benefit our project. This is an exciting step for the community and the commission," said Warren.

Head-On Collision Claims Six Lives

A fatal collision on Ill. Hwy. 59, near Antioch June 2, took the lives of six people including five members of a Wauconda family.

James T. Ultsch, 33, of Spring Grove, was driving northbound on Hwy. 59 when he entered the southbound lane, running head on into the Bonni family. Daniel R., 33, his wife Theresa, 29, and two sons Christopher J., 5

and Bradley R., 10 were dead on the scene of the 3 a.m. accident. Melissa Bonni, 7, died at 12:30 p.m. June 4 in St. Therese Hospital after suffering from massive head injuries.

A coroners report on Ultsch is being done to determine if alcohol or drugs were involved.

"The case is pending as of now," according to Ill. State Trooper Charles Allen.

Board Adds Trains

Responding to requests from Milwaukee District North Line riders, the Commuter Rail Service Board added two new trains and revised the midday schedule for two other trains, beginning on Monday, June 3.

The Milwaukee District is operated by the Rail Board's subsidiary, the Northeast Illinois Railroad Corp. (NIRC).

"We have received numerous requests from people who work at exchanges and brokerage firms in Chicago to narrow the current two-hour gap in our midday service," said Rail Board Executive Director James E. Cole. "By revising the midday schedule we are now offering four trains in the mid-afternoon instead of three, which will be more convenient for students and shoppers as well as the regular commuters."

The schedule revisions are as follows:

A new outbound train is being added departing Chicago at 1:30 p.m. and arriving in Fox Lake at 2:50 p.m.

Outbound train No. 2117 which normally departed Chicago at 2:25 p.m. will be rescheduled to leave at 2:30 p.m.

A new inbound train is being added departing Fox Lake at 2:55 p.m. and arriving in Chicago at 4:17 p.m.

Inbound train No. 2132 which normally left Fox Lake at 2:12 p.m. will be rescheduled to depart at 1:55 p.m. The train will make all regularly scheduled stops and arrive in Chicago at 3:21 p.m.

Cole explained that the increased service on the Milwaukee North Line is just one phase of an extensive

service improvement program approved by the Commuter Rail Service Board to increase ridership throughout the rail system.

"We are also increasing off-peak service on the Chicago & Northwestern West Line and on the Milwaukee West Line in June," Cole said.

"On July 1, the Rail Board will introduce a reduced family fare, and on August 1 we are planning to offer discounted fares for a new six-month 10-ride ticket and for travel between adjacent zones," he added.

Milwaukee North Line schedules are available at local train stations and at Union Station in the Loop. Travel information can also be obtained by calling RTA at (312) 836-7000 in Chicago, or toll free 800-972-7000.

Wilmot Speedway to See Area Challenges

The Wilmot Speedway will see many interesting 'challenges' when the Antioch Rotarians and those who dare compete in stock car racing, June 23, 1985.

The Third Annual Antioch Scholarship Family Fundraiser will begin at 1 p.m. with races starting at 2. A rain date has been set for June 30.

A few races to watch for are between Antioch High School administrators, the Rotary Club members against area financial institutions, powder puff race, Lions Club against the Rotary Club and many more.

Anyone interested in a challenge race may call the State Bank of Antioch at 395-2700 to submit their entry.

Past races have seen such surprises as racing blindfolded, racing in golfcarts, garden tractors, garbage trucks and gravel trucks.

The money raised will be used for scholarships for Antioch Community High School Students. Tickets are available at the State Bank of Antioch, First National Bank and any Rotarian.

'Unsafe' Car Kills Man While Fishing

A day of fishing ended in tragedy for Adolph Banko, 40, of Cicero, when he was hit by a car driven by Jeffery Kemp, 20 of Janesville and killed.

Banko was walking to his car after fishing on the west side of the Fox River Bridge on Rte. 173 at 11:20 a.m. June 1, when according to Kemp his car hit a bump, causing him to

lose control and go onto the shoulder of the road where Banko was walking. According to witnesses, the car rolled over several times.

Kemp was cited for operating a faulty, unsafe vehicle. Tammy Hintz, 19 of Delavan, was a passenger at the time of the accident.

The driver, momentarily unconscious, was taken by the Antioch Rescue Squad to St. Therese Hospital.

Crash Takes Family

Bonni family portrait shows a young, happy family from Wauconda, whose lives tragically ended from a head-on collision June 2 on Rte. 59, just south of Beach Grove Rd., outside of Antioch. All died almost instantly except for the daughter, Melissa, 7, who died from head injuries sustained in the crash on June 4 at St. Therese Hospital, Waukegan. Other family members were: mother, Therese, 29 and father, Daniel, 33 and brothers, from left, Christopher, 5 and Bradley, 10. The driver of the other car, James Ultsch, 33, of Spring Grove, was also killed.

Homemaker Wins Trip

Barb Kocal of Fox Lake won Lakeland Newspaper's Florida Trip For Two after her husband put her name in the registration box at the Oaken Bucket Gift Shop in Fox Lake for the eight-day, seven-night vacation prize.

Barb and her husband Richard, who have been married for 11 years and never been on a honeymoon, intend to use the Disney-World-Epcot Center trip as a special late, honeymoon adventure.

Their two girls, Jermy, 9, and Michelle, 7, will be taken care of by "grandma."

"We've never won anything before; that's why

this is so great," said Barb when a Lakeland reporter called her back for an interview.

"Now I know that first call wasn't a joke," she said.

Barb said that she didn't know when they would take advantage of the prize since she still hadn't been able to give her husband the good news.

The contest that offered an eight-day Florida trip for two, was open to customers of many Fox Lake and Round Lake businesses. Several hundred Lake County residents entered the contest.

Participating merchants

were Rip Tides, Johnsburg; Oaken Bucket, Fox Lake; First State Bank of Round Lake, Marina Motel and Restaurant, Fox Lake; Fox Lake Office Supply, Second Federal Savings, Fox Lake; Lakeview Service Center, Fox Lake; Fox Lake Travel, Pistakee Country Club, Fox Lake; and Kristi's Pizza in Spring Grove.

The lucky winners get free air fare, motel accommodations for two, a rental car, tickets to Disney

World-Epcot Center, Space Center and other Orlando attractions.

Surgery Center Makes Debut

Victory Memorial Hospital held its third open house within the last nine months when the One Day Surgery Admission Center made its debut May 19 at the Waukegan Hospital.

Victory Hospital President Donald Wasson said the new wing is an example of how the hospital is keeping abreast with health-care delivery.

"The One Day Surgery facility is one of those programs that is the wave of the future," he commented. One-day surgery is

recognized as a means of improving health care while reducing health-care costs and allowing the patient to return home within hours after surgery.

Another dedication ceremony speaker, Governing Board Chairman Charles Ofenloch, stated that "One Day Surgery is for patients young and old and offers fast, safe surgery. This is what the patient demands, and what we provide," adding that he is proud of the "progressive services Victory Hospital offers the community."

Water Agency May Get \$75,000

The Senate has approved legislation appropriating \$75,000 for the operating expenses of the Chain of Lakes-Fox River Waterway Management Agency, according to Sen. Jack Schaffer (R-McHenry), the sponsor of the bill. The money is to be appropriated from the State Boating Act Fund.

"Since the 40,000 boats that use our waterways generate approximately \$3.6 annually to the state," explained Schaffer, "I feel this initial funding request is extremely modest and in order. I am very pleased to see the Senate approve the distribution of this money."

The creation of the Chain of Lakes-Fox River Waterway Management Agency was approved by over a 2 to 1 margin in a November 1984 referendum. The Agency is responsible for implementing rules and programs to enhance the recreational waterway, flood control, water quality, boating safety and other administrative duties.

"The allocation of money will help to begin the Agency's operation and is one step toward improving the waterway. I know the work of this Agency will fast become an integral part of the recreational system,"

said Schaffer.

"The Agency will be setting user fees for recreational and commercial boating, after holding public hearings on all fee proposals. The Agency will not be able to charge fees for fishing, snowmobiling, waterskiing or any other recreational activities," he added.

The bill now goes to the House of Representatives for its approval.

Drug Bust

An Illinois State police trooper, back right and a Wauconda police officer, left, stand by as state police sergeants search the trunk of a car in which James A. Fiebig and Michael J. Lima, handcuffed, both of Rolling Meadows, were riding in. Police stopped the vehicle on Rte. 176 in Wauconda, after it matched a description of a car involved in a burglary in Volo. Police found five kilo's of cannabis in the trunk. The two men were arrested and brought to Lake County jail. Police subsequently, were given an anonymous tip to a house in Volo, which amounted to a \$170,000 drug bust. At the house, police arrested Chris Bohan, 31, of Volo, and Theodore Costa, 31, of Wauconda.—Photo by Donna Duncan.

County Political Vet Tells Clerk Backing

A third member of the Lake County Board has recommended Venita McConnell's nomination for Lake County clerk on the Republican ticket in next spring's primary election. Dist. 1 Rep. Donald Strenger of Lake Forest joins former County Board Chairman Glenn E. Miller and Dist. 6 Rep. Jerry Beyer in endorsing McConnell's candidacy.

In a prepared statement to Lakeland Newspapers, Strenger declared, "I am positive Venita McConnell has the ability, the knowledge and the experience to run the Lake County clerk's office in an efficient, effective manner."

Strenger continued, "She has an extensive background both in the business world and in government. Mrs. McConnell possesses excellent qualifications for the office of county clerk." He concluded, "She is an en-

thusiastic, sincere worker for the Republican party and is well respected throughout the county. I am proud to have the opportunity to support Venita's campaign in every way possible for Lake County clerk."

Strenger has been a member of the Lake County Board from Dist. 1 for 15 years. Dist. 1 includes Deerfield, West Deerfield and portions of Shields and Vernon Twp. Strenger has been president of the Lake County Forest Preserve for seven years. Many courthouse observers consider Strenger one of the most powerful and effective members of the county board.

McConnell has served as Wauconda Village Clerk for the past seven years and is a longtime worker from the Republican party. Mrs. McConnell is challenging County Board Member Donna-Mae Litwiler for the

Republican nomination for Lake County clerk to oppose Democratic incumbent Linda Hess in the 1986 elections.

Hess was elected to the office in 1982 when she defeated Republican Harry Thomas by 353 votes out of 111,187 ballots cast in the county clerk's race. Currently, Linda Hess is the only Democrat holding a countywide office.

Vets To Enjoy Outing

More than 50 veterans from the Administration Hospital in North Chicago, will attend a five-hour long outing on Lake Mary of Twin Lakes, about 66 miles from Chicago, on Friday, June 14.

The day in the sunshine and fishing on Lake Mary, which will begin at 10 a.m. will be sponsored by the AMVETS from the Albert E. Emmerich Memorial Post 255 of Buffalo Grove, of which Tom Fitzgerald is commander.

This is the fifth straight year that the Buffalo Grove post is entertaining the veterans who will be transported to and from the Veterans Administration Hospital by bus.

James Mayer, president of the Twin Lakes Village, and Judge Art Lentz, also from

the village, are among the many Twin Lakes residents and summer visitors who are helping the Buffalo Grove post stage this event.

President Mayer has enrolled a number of Twin Lakes residents and summer visitors to donate

their pontoon boats for the veterans' use on June 14.

After three hours of fishing and just loafing on the pontoon boats, the veterans will be brought back to shore to enjoy a luncheon at the Lake Mary resort, owned and operated by Georgia and Louis Dimitrakakis.

Legion To Host Bonanza

Funds for the work of Wauconda Unit No. 911 American Legion's Auxiliary will be raised at a Bingo Bonanza at 2 p.m. on Saturday, June 8 at the Wauconda American Legion Post, 515 S. Main St., Wauconda. Proceeds are to be used for community service and veterans rehabilitation services.

Doors will open at 12:30 p.m. and games will begin at

2 p.m. Two sessions will be features, with a two-hour break for supper. Food will be available on the premises.

Tickets are now on sale for \$30 per one table space, which includes both sessions. Extra cards will be available at \$1 each. Specials will be three for \$1.

Plan Helps Keep Reasonable Prices

Residence and single-line business telephone customers now pay a 1-monthly line charge as part of a plan to keep telephone rates reasonably priced in the future that went into effect June 1.

The charge is part of a Federal Communications Commission plan to price local and long distance calls closer to the cost of

providing each service.

It replaces part of the subsidy for local telephone lines historically built into out-of-state long distance rates. This will allow long distance rates to decrease by about five percent.

"Eventual savings in rates for all customers—including savings for customers who don't make long distance

calls—will more than offset the 1 charge," according to Fred K. Konrad, Illinois Bell assistant vice president.

Illinois Bell's multi-line business customers have been paying a \$3.45 line charge since May 1984. This charge is 6 in many other states where the cost of providing service is greater than in Illinois.

In 1982, regulators recognized that competition and new technology required

an end to the monopoly system that overpriced long distance calls to subsidize local lines. This subsidy, begun in 1930, grew to its highest point last year, when about 40 cents of every long distance dollar supported local service. In 1984 this subsidy amounted to 9.5 billion dollars nationwide.

"Cost-based pricing will prevent the widespread loss of customers who today pay more than their actual ser-

vice costs," Konrad said. "Without fair rates, these customers are encouraged to bypass the public telephone system with private facilities."

"By keeping customers on the public system, we can spread the fixed costs of operating this system over more people, and keep local rates lower than if bypass occurred," he said.

"This subsidy system also penalizes customers in

states with lower service costs, such as Illinois," Konrad said. "Through long distance charges, Illinois callers pay more in local subsidies than is returned to this state's customers."

"The difference—\$65 million in 1984—is a hand-out from Illinois callers to Southern and Western states with higher operating costs," he said. "The line charge helps end this burdensome system."

Brae Loch Buy Still Alive

At mid-week, members of the Lake County Forest Preserve Dist. land acquisition committee were getting ready to take another look at the long-standing proposal to purchase Brae Loch Country Club.

The committee review on Friday, June 7, is part of the agreement worked out by Dist. 4 Rep. Norman Geary with Dist. President Don Strenger to keep the Brae Loch acquisition alive.

Strenger said he would support the Brae Loch purchase if Geary followed customary procedures by presenting the purchase plan to the land acquisition committee headed by Dist. 6 Rep. Glenn Miller of Long Grove.

At the same time, the committee is considering purchase of Midlane Country Club of Wadsworth, a favorite project of Dist. 2 Rep. John Balen, a member of the land committee.

In the past, Miller and two

Dist. 4 representatives, Jim Fields of Antioch and Fred Popp of Lake Villa, have opposed Brae Loch. The other member of the committee, Dist. 3 Rep. Eleanor Rostrom of Waukegan, has been lukewarm about Brae Loch.

'Don't Drink The Water' Runs With Laughs

by DONNA DUNCAN

If you didn't get a chance to see "Don't Drink The Water," by Pullman Players of Wauconda, you missed a real treat of fun, lots of laughs and a bit of magic.

The comedy, written by Woody Allen, is set at the American Embassy somewhere behind the Iron Curtain, where an American family is vacationing. However, their stay is interrupted by Russian KGB agents, who whisk the members of the Hollander family as spies.

Walter Hollander, played by Rich Mohr, of Elgin, portrays one of the leading roles as an American caterer, who repeatedly complains that a vacation in Atlantic City would have been a better choice, while his wife, Marion Hollander (Ann Goebel) puts up with his impatience and opinionated personality.

Watching Mohr play the role having a hot-headed temper and boyish heart

reminds one of Jackie Gleason, who is known to be the actor in the original movie version.

With a well-executed Russian accent, Krojack (Will Tremont) portrayed the Russian agent, who was after the Hollanders.

Hollander's daughter, Susan Hollander (Dori Meyer) falls in love with and tries to win the heart of the assistant American Ambassador — Axel Magee (Kelly S. Jones). She turns on the female charm and coaxes him to plan an escape

for the family; however, Magee is reluctant because of his past assignments which he has blundered.

The Hollander's are entertained by the pesty refugee, Father Drobney (Jerry Taylor), who also had the audience in a roll of laughter, with his (God forbid) tricks and his straight-jacket scene.

When Axel Magee's

father, Ambassador Magee (Brian Goebel) finds out about an uprising, the embassy secretary, Kilroy (Jaqueline J. Giles) takes over the duties of Magee.

The uprising death with a humorous incident between Hollander and the Sultan of Bashir (Phread Komach), who was accompanied by his first wife (Linda Green).

The special effects by the

"dozen of professional killers" brought out the life-like danger that lurked around the embassy.

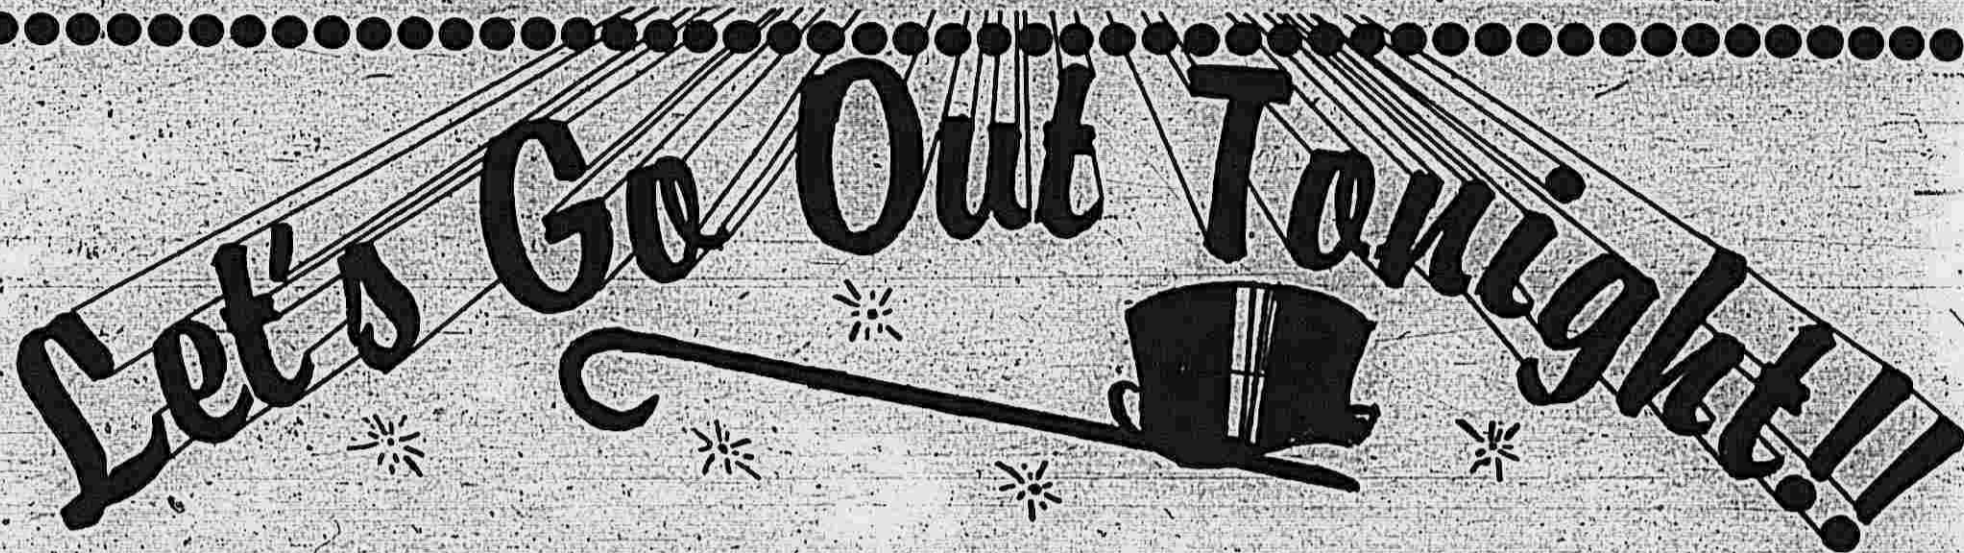

The play cannot be reviewed without the mention of other characters, who blended in harmoniously with the rest. They were: Chef (Linda Langer), Guard (Steven J. Zerric), Burns (Jeff DeSmet), Kasnar (Steven J. Zerric) and Countess Bordoni (Virginia Normann).

I've reviewed, it is hard to believe that this cast is made up of all amateurs because their excellent dialogue, eye contact and facial expression and execution of roles seemed no less than top-notch performing, which I highly recommend for an evening of enjoyment.

If you like to experience thrill, action and intrigue, then don't miss "Don't Drink The Water," which will be played again on Friday, June 7 and Saturday, June 8 at Transfiguration Old Church.

Adler To Fete Bluegrass

Mixed Company Bluegrass Band, featuring Steve Rosen, Annie Porcella, Meta Nelson, Mitzi Odendahl

will make its first concert appearance at the David Adler Cultural Center at 7:30 and 9:30 p.m., on Friday, June 7.

Playing traditional bluegrass the old-time way, the band uses mandolin, fiddle, banjo, bass, guitar and vocal harmonies to capture the spirit of early bluegrass music.

Opening both shows will be Glenn Shubert, an Adler House regular, whose repertoire includes traditional and contemporary folk music as well as original songs that range from poignant to off-the-wall.

Admission is \$4.50 for adults, \$4 for members, \$2 for senior citizens and children six to 12. Children under six are free.

The David Adler Cultural Center, 1700 N. Milwaukee Ave., Libertyville, is a non-profit organization. For info, call (312) 367-0707.

Schedule Dance Classes

Cheri's Dance Arts Studio will hold its summer session beginning June 10 and continuing for seven weeks. A full range of dance classes for children, teens and adults at all ability levels are offered in ballet, jazz, tap and musical theater, as well as dance-exercise, jazz-exercise and dance-aerobics.

Ballet, tap, jazz, and musical theater, choreography, costume designing and make-up will be studied in this class.

For more information or to receive free class schedules, call (312) 367-7970.

Summer Theater Is For New Pupils Too

The most frequently asked question about Greasepaint & Spotlights' upcoming summer theatre camp is: "Does my son (or daughter) need experience to benefit from the program?"

As with most situations, previous experience is an asset but not a necessity. In fact, the two sessions of theatre camp scheduled for this summer are designed to meet the needs of both the advanced theatre student and the beginner.

Each of the two three-week sessions enables participants to learn about acting, singing, dancing, costume construction, and set building.

Campers then take what they learn, hold auditions under the direction of the

camp staff, and produce a musical for family and friends on the last day.

Session A of Greasepaint & Spotlights' Summer Theatre Camp begins Monday, June 24, and runs through Friday, July 12; Session B runs from Monday, July 15, through Friday, August 2.

Both sessions are held from 9:30 a.m. to 3:30 p.m. Monday through Friday at Greasepaint & Spotlights' Libertyville studio and are open to students in grades one through eight.

Tuition is \$160 per child per session and may be paid by Visa or Mastercard.

For information or to register, call the camp's director, Terrie Snell, at (312) 680-8686.

Rehearses Seascape

The Grove Theatre, central Lake County's only professional, nonequity theatre, will present "Seascape" by Pulitzer Prizewinning Author Edward Albee.

Performances will be given in Libertyville High School's Studio Theatre at 8 p.m. on June 21, 22, 28, 29, and July 5 and 6. Sunday matinees will be offered at 2 p.m. on June 23 and 30 and July 7.

Telephone reservations will be taken at (312) 680-8686 or you may purchase tickets at Young Moderns, 116 N. Milwaukee, Libertyville or by mail, The Grove Theatre, 115 W. Church, Libertyville, Ill. 60048.

'Yankees' Score Hit

by JEAN RYBICKI

PM&L Theater in Antioch has just opened with another good musical, "Damn Yankees."

Pat Hill and Sander Sundberg are splendid as

Applegate. His expressions and quips were terrific.

Frank Torrez was so believable as the coach, I think they tossed in a ringer. He must, at some time or other, been a coach in real

Plaudits to a fine chorus, especially the singing ball players.

"Heart" of course is the musical standout, sung first by Joe, then by Sister, Doris and the chorus and as the finale.

The popular "Whatever Lola Wants" also goes over well as Kathy Hill's rendition is great.

Well-done direction by Mark Badtke, unusual lighting effects (especially during the transformation of Joe Boyd into young Joe Hardy), good costumes by Linda Johnson and fine piano accompaniment by Sue Duke, all add up to a worthwhile evening of good musical entertainment.

The show can be seen at the theater on Main St. in Antioch, June 7, 8, 14 and 15.

Stage Review

Meg and Joe Boyd and Shirey Jensen turns in a lovable and priceless performance as Sister.

Tom Hausman turns in an excellent version of Mr.

life. Bruce Berger's singing in the role of Joe Hardy is very special.

The play is studded with many fine musical numbers. Kathy Hill's (Lola) is delightful in her duets.

Greek Fest '85

St. Demetrius Greek Orthodox Church, Waukegan, will present Greek Fest '85, on Friday, June 21, from 5 to 10 p.m., on Saturday, June 22, from noon to 10 p.m. and on Sunday, June 23, from noon to 10 p.m. Wares from a Greek bazaar and much Greek food will be available.

Armour House Site For Rare Antique Show

The American Heartland's finest exhibition of rare and unusual antiques, the Lake Forest Academy-Ferry Hall 24th Annual Antiques Show, runs June 7-9 in Lake Forest.

Amidst the opulence and splendour of the former J. Ogden Armour House, recently named to the National Register of Historic Places, nearly 50 of the country's leading dealers are meeting to display their antiques and collectibles.

The elegant Armour Home provides a unique setting for the show, considered to be one of the top three in the country.

A gala preview party from 6-10 p.m. on Thursday, June 6, is open to interested persons by reservation only. The evening's festivities include cocktails and a light buffet, as well as first chance to purchase the antiques and collectibles.

Other special events through the weekend include a lecture, "Living With Antiques" by David A. Easton, noted New York decorator, at 2 p.m. Friday, June 7.

A second lecture by architectural historian and

head of the school's English department, William Hinchliff, entitled "The J. Ogden Armour House: A Brief History" gives background on the stately home.

"Old Favorites, New Treasures", an exhibition of full and miniature sized quilts is being juried by the Illinois Quilters, Inc., for this show.

A "Heirloom Discovery Center" staffed by experts from Leslie Hindman Auctioneers will be open from 11 a.m. to 2 p.m. and from 4-6 p.m. on Friday and Saturday, and from 11 a.m. to 2 p.m. on Sunday. Guests may have their wares appraised for \$5 per item.

Luncheon and tea is served June 7-8, with brunch and tea available June 9. Proceeds from opening night tickets (\$50 each), show admission (\$5) and the Easton lecture (\$5) fee benefit the independent secondary school's scholarship fund, as do the proceeds from sales of spring flowers and food services throughout the weekend.

Hours are from 11 a.m. to 9 p.m. on Friday and 11 a.m. to 6 p.m. on Saturday and Sunday. Lake Forest Academy-Ferry Hall, 1500 W. Kennedy Rd., Lake Forest, (approximately one mile east of I-94 on Rte. 60). For information call (312) 334-3210.

Grass Lake School Sees 'Teary Eyed' Graduates

by ARDEEN HARRIS

Not a dry eye was in the Grass Lake School gymnasium on May 31 as the Class of 1985 said their good-byes and received their diplomas. As the band played "Pomp and Circumstance" the graduates were escorted to their seats by seventh grade escorts Jill Hines and Ken Mattson. Clinton Wesolik gave the invocation and the audience stood for the National Anthem. Carole Schwartz, class Salutatorian, gave a

speech on the history of the class of 1985 from kindergarten to today. Tracy Metz inspired her fellow classmates and audience with her vocal selection of "Climb Every Mountain". Michelle Perryman, class Valedictorian, did an enlightening speech, and presented a gift to Mr. Wesolik from the class. Jennifer Clauson, Melanie Nemec and Kelly Zeien played their last woodwind ensemble for their classmates with the song "Music Box Dancers".

The graduation address was given by Joseph Hunley. A very entertaining man, with a unique way of getting a message across to the graduating class. The girls from the class of 1985, then proceeded to the stage to sing "Friends Forever" to their fellow classmates. Mr. Liss introduced the class of 1985 and the diplomas were presented by Grass Lake Board President, Robert Mattson who was assisted by James Clark, Darlene Clauson and Vickie Glessner. The program concluded with Carolyn Adams presenting the Benediction. Congratulations to the class of 1985 and best of luck in your future years: Theresa Lee Abear, Robert Bruce Adams (graduating with honors), Leslie Ann Bennett, Jennifer Lynn Bermea, Derek Allen Borsky, Brian Christopher Buszta, Jennifer Clauson, Joseph Cord, Robert J. Coy, Cheri Marie Dawes, Laura Elizabeth Dunlap, Thomas George DeWaldt, Jeffrey Michael Enright, Raymond Anton Gardin, Patricia E. Handschiegel, Eric R. Johnson, Kevin Robert Kempf, Noreen Marie Kiesgen, Eric Richard Knutson, Shawn Michael McGee, Joseph George Mazzuca, Tina Lynn Meltzer, Tracy Lynn Metz,

Jane Ann Meyer, Israel Montejano, Laura Marie Naughton, Melanie Ann Nemec (graduating with honors), Joy Lynn Parker, Bruce E. Pauletti, Michelle Lynn Perryman (graduating with honors), Steven Joshua Radonic, Ann Therese Rohde, Carole Dawn Schwartz (graduating with honors), Robert Kjell Sollenskog, Richard James Steiskal, Brenda Joyce Strametz, Katherine Karoline Wallsteadt, Patricia Kathleen Werhane, Deanna Marie Young, and Kelly Jo Zeien.

Least we not forget the seventh grade ushers who helped with the programs: Lisa Groeninger, Wayne Olsen, Michele Skrypt and Joseph Rohde.

A past graduate of Grass Lake School, Alan Ziegler, has some terrific news! Our resident local artist has landed a job in California with the Hanna Barbera Studios. For the present time, he will be drawing Smurf Cartoons, but knowing Alan, this is only the beginning. What a great opportunity! Alan will be living in the Los Angeles area. There is only one regret for the Grass Lake area: Alan will be dearly missed at the Haunted House. Is there room in the budget for air fare to get this talented man back home in October? Alan, can you mail back some ideas for us? We all wish you the best of luck in your new job and you will sincerely be missed, but we are all happy for your success!

Back to local news—on Monday, May 27, the following Brownies from Troop 1366 marched in the Memorial Day Parade in Antioch: Beth Boerman, Jamie Brausam, Kristen Clifford, Amy Dogan, Alicia Lundgren, Amy Martin and Erica Wagner. These girls

received their Memorial Day segment to go with their Parade Patch.

On May 29, Brownie Troop 1366 celebrated their final meeting of the school year with a roller skating and pizza party at the Round Lake Roller Rink. Troop members Ali Arnold, Kathy Benes, Sandy Benes, Beth Boerman, Jamie Brausam, Kelley Brausam, Wendy Charvat, Kristen Clifford, Melissa Cole, Sabrina Day, Kellie Dixon, Amy Dogan, Beth Enright, Kari Fehrenbacher, Leah Ferguson, Alicia Lundgren, Amy Martin, Tammy Mazzuca, Lisa Priller, Jessica Stella, Hope Turk and Erica Wagner attended. Also attending were non-troop members: Mike and Mary Boerman, Shelley Brausam, Theresa Clifford, Cathy Cramer, Mike and Brad Priller and Kurt Wagner. The following moms deserve the "aspirin award" for their driving and help: Leader Sue Cramer,

Phyllis Wagner, Chris Priller, Pat Clifford, Linda Boerman, Marie Brausam and Linda Brausam. We are happy to report that a good time was had by all and there were no injuries! The next Brownie function will be the "New Games Day" on June 19 at Grass Lake School.

Little League baseball is in full swing in the Antioch Area. The 1984 Little League Champions, the Tigers, have been doing a great job so far this season. I understand that at this printing they are undefeated with a 6-0 standing. The boys from the Grass Lake area are: Jeff Rey, Jason Kitto, Eddie Lehner, Mike Priller and Chris Lehner with Neil Owen, Brian Smith, Scott Harrison, Dave Holbeck, Sam Barnes, Mike Welsh, Mike Roman, and Steve Gedville. Manager Wayne Rey and Coach Jim Robinson have been doing a great job with the boys. Keep up the good work!

Get well wishes go to Brad Priller who is in the second grade at Grass Lake School. He is recovering from six stitches above his eye and a pretty good "shiner". The doctor said to keep Brad quiet and rested, so mom, Chris, has been running to town for movies. Wouldn't you know, with Murphy's Law, that the power would be out for three hours on Friday.

Birthday wishes to Craig Campbell who celebrated his day on June 4. Shirley Kitto has a special birthday this June, but we won't tell you how old she is. Don Ellis will be celebrating his day on June 13. And Rick Hansen, new Grass Lake resident, will be celebrating his first birthday in the Grass Lake area on June 10. By the way Rick is over 30. Happy Birthday to you all!

The summer started out right with a camping trip in Wisconsin on Memorial Day weekend with the

Teary Eyed Graduates Leave Grass Lake

(Continued from Page 12A) following families: Olenicks, Brausam, Hansens, Han-

sens, Seputis and Fectners. Congratulations to Ray, Jenny and Kelly Brausam and

Don Fectner for coming in first in the canoe race. A grand performance was

given by Tommy Seputis who sang and danced to 76 Trombones. There was an eight-month pregnant lady camping who finally learned to ride a three-wheel tricycle. She just kept saying "I think I can, I think I can." The Memorial Day Parade included Deanna and Missy Olenick, Mark Fectner, Jenny Brausam and Amy and Corry Hansen, who decorated their bikes for this special parade. Rick and Keith Hansen and Don Fectner each won a "buck" for catching the most fish. The losers want to thank Tude for not wearing a hat and letting his fish all get away. Tricia Olenick brought along four friends from school. They were all a lot of fun and are welcome back anytime as long as they stay with the Olenicks. Ray feels the Olenicks should be government subsidized for feeding eleven people.

A group was blessed with two sun filled days. You are loved anyway by the group. The Fectners spent their first weekend with the Port-A-Party camp group, and they are still living to talk about it. Only two more times and they will be a full-fledged member. The weekend ended with a grand march led by Darlene Olenick carrying the Port-A-Party logo. The Rick Hansen family has temporary custody of the Logo until the next expedition.

A special birthday wish to Pat Sherwood who will be celebrating her "big" day on June 8. A special surprise party was held in her honor on May 29 with friends and family in attendance.

A special note from P and B Ceramics, the last day of class will be June 29. So if you have any pieces at the studio, please be sure to pick them up. Classes will resume for young people on Saturday, September 7 from 10:30 a.m. to 12:30 p.m. and 1 to 3 p.m. Monday, Sept. 9 will start the teens class from 6 to 9 p.m. September 10 and 11 will be adult classes with Tuesday and Wednesday from 9 a.m. to noon and Wednesday night classes from 6 to 9 p.m. Call (312) 395-7813 for class information.

Remember to call with your news (312) 395-2761.

ACT-4 to re-open

The Antioch Teen Center ACT-4 will close its doors until August due to scheduling difficulties.

The group would like to thank everyone for their cooperation and help in making ACT-4 a successful, entertaining group.

Area Organizations Plan For Fourth Of July

The Antioch Parks and Recreation in cooperation with the Antioch Jaycees and the Antioch Chamber of Commerce and Industry are planning the Fifth Annual Fourth of July Parade.

Residents may enter floats, vehicles or anything appropriate to ride in the parade. Line up begins at 9 a.m. at the Antioch Community High School, with the parade beginning at 10 a.m.

Registration may be obtained by calling Glenda Tomaschik at 395-2160 at the Parks and Recreation office.

"With your help and participation, we can make this an exciting parade of parades going through Antioch's 'Downtown of Flags'. So join in the fun and enthusiasm of this festive celebration of our nation's birthday and help us make it a huge success," urges Retail Chairman Larry Hanson.

Preceding the parade will be the Miss Antioch Pageant on July 3 at 7 p.m. with Ernir Levas and the EPL Express following.

The fourth will end with fireworks at dusk and Ernie Levas to entertain again.

Parks Announce Classes

Antioch Parks and Recreation announces its summer classes of tumbling, ballet, tap and jazz beginning the week of June 17 to run through August 6.

The cost is \$32 for eight weeks of classes meeting once a week for an hour.

Tumbling classes are on Tuesdays from 10 a.m. to 11 a.m. for three to five year olds; 11 a.m. to noon for beginners six years and up; 1 p.m. to 2 p.m. for beginners to intermediates and 2 p.m. to 3 p.m. for intermediate to

advanced classes. The classes, held at the old fire station, require tryouts.

Dance classes will be held Thursdays and Wednesdays at the Antioch Scout House. Ballet class will be held 5 to 6 p.m. with beginning ballet for three to five year olds (some tumbling), From 6 to 7 p.m. for beginning ballet for seven to 12 year olds with no experience and 7 to 8 p.m. for intermediate ballet for 7 years and older.

Jazz-Tap-Ballet Combination will be Thursday

from 5 to 6 p.m. for seven to 12 year olds with beginning dance with no or very little experience; intermediate class from 6 to 7 p.m. for seven and up and jazz dance class from 7 to 8 p.m. for junior high and high school students.

Adult and senior citizen aerobic class will be Thursdays from 8 to 9 p.m.

Martin Front-Runner In Appointment Race

Sources say Grayslake banker Eugene Martin is the front-runner among the candidates to fill the vacancy that Dist. 5 Rep. Priscilla Richardson left on the Lake County Board when she retired.

Martin, who has been a Dist. 5 resident for 29 years, put his name up for the position when Richardson first announced her retirement.

"I very much want the Lake County Board position. I am retiring from my job at the bank and I feel that I'll have a lot of time to put into the board position," Martin said.

Martin has been the Vice Chairman of the Board at the Grayslake National Bank for nine years now.

Lake County Board Chairman Jim LaBelle hasn't indicated who he will select for the position as of yet but has indicated that he will make a decision by June 10.

Other major candidates for the job are Libertyville Supervisor and former Board Member Michael Graham and Lincolnshire resident George Kangas. Kangas is a former Lake County Republican Chairman.

"I would like to think my

chances are good. My business background and experience with people are a plus factor for me. I am very involved in the community,

Eugene Martin

which I think is very important," Martin said.

The replacement for Richardson could be the key vote at the next chairman's election in December of 1986.

Martin said that he had intentions of running for a seat on the board in March of 1986

even before Richardson announced her retirement.

"Even if I do not get selected by LaBelle to fill the vacancy, I will run in 1986," he said.

Martin, 56, was a Libertyville School Board member from 1963-1972, and was a past president and director of the Libertyville Chamber of Commerce. He was also a past president of the Grayslake Chamber of Commerce.

He is a member of the Lake County Republican Federation, the Libertyville Township Republican Club, the Libertyville/Mundelein Garden Club, Lake County Crime Stoppers Director and a board member of the American Cancer Society.

Chain Branch

The American Assn. of University Women, Chain of Lakes Area Branch, met on May 23 to acknowledge the efforts of all outgoing officers and board members and to install their successors. The meeting was held at the Holy Mother of God, Serbian Orthodox Monastery on Rte. 45. Although summer activities are planned, the next ASUW business meeting will be in September.

Health Service At Following Locations

The Lake County Health Dept. Mobile Health Service, supported by the participating townships, will be

at the following locations in June:
Cedar Village Apartments (sponsored by Lake Villa

Twp.), 310 N. Milwaukee (Rt. 83), Lake Villa, 9 a.m. to noon, Thursday, June 5. Phone (312) 356-2116.

Grant Township Hall, 411 Washington, Ingleside, Thursdays, June 6, 13, 20 and 27. Phone (312) 587-2233.

Warren Twp. Recreation Building, 7136 Washington, Gurnee, Fridays, June 7, 14, 21 and 28. Phone (312) 244-1101.

Services available consist of a physician for diagnosis and treatment of medical problems, and school and sports physical examinations. Blood pressure testing and health counseling by a registered nurse are also available.

Township residents unable to pay for those services requiring a fee should contact their township supervisor at the number listed above.

Citizen's Group

The Lake County Defenders, a citizen's environmental group, will hold a board meeting on Thursday, June 6 at 7:30 p.m., in the Elia Area Library, 135 S. Buesching Rd., Lake Zurich.

Area Students Spell To Win

The Northwest Suburban Conference held its 5th annual spelling contest May 15, 1985, at Marian Central Catholic High School. Mike Papp, junior at Grant High School, Fox Lake, emerged overall individual winner. Cheryl Nygard, senior at Grayslake High School, took second place overall. Waucond. High School won the team championship. Marian Central Catholic High School took second place, with Marengo High School and Grant High School tying for third.

Prior to the contest each of the conference schools conducted spelling contests to determine teams of five students with two alternates.

The conference schools include Grant High School, Grayslake High School, Johnsbury High School, Lake Zurich High School, Marengo High School,

Marian Central Catholic High School, Round Lake High School and Wauconda High School. Dora Tippens of McHenry County College was caller for the conference event. Jim Taylor of Grant High School was the scorekeeper. Patricia Gessert of Wauconda High School and Darlene Gorski of Marian Central Catholic High School were the judges.

Honor Ruhnke

Michael Ruhnke of Spring Grove earned part-time honors for the 1985 spring semester at McHenry County College. Students needed a grade point average between 3.0 and 3.49 to be on the honors list. Part-time students are eligible for award of honors only during those semesters in which they complete a multiple of 12 semester hours.

Give Grads A Hand

Hail the Class of '85. The graduates have reached a milestone in their lives and we join with the well-wishers in extending hearty congratulations. If there's a declining school enrollment, it's hardly noticeable with all the graduates bustling about. It used to be fashionable to commend the grads as being "smarter and healthier" than ever. We don't know if that's true anymore considering

diminishing competency scores and the terrible problems involving substance dependency involving young people today. Let's face it. The kids aren't getting much help from their elders these days. What we do know is that it's darned tough growing up in the world of the '80's. Besides giving the grads a pat on the back, let's extend a helping hand at the same time. They deserve both.

'Wrong Side Of Tracks'

Mayor Robert Ratch of Lindenhurst has plenty of company in his concern about being "on the wrong side of the tracks" when it comes to fire protection and rescue squad service.

The Soo Line tracks also serve as a potential barrier to the movement of safety vehicles in our locality in Antioch, Grayslake and Mundelein besides Lake Villa-Lindenhurst.

Ratch's solution is to have a second fire station built in his community because all the fire district equipment is located in Lake Villa. Crafty political leader that he is, Ratch knows that he has a surefire (no pun intended) issue to capture the attention of his constituents. At the same time, Mayor Ratch is a practical public official. He doesn't get "pushy" about one of his favorite topics, so he puts the second fire station on the future planning agenda.

Economics and community growth has been a bigger factor in determining when auxiliary fire department facilities are in order than travel dictates, natural barriers or safety needs. In Fox Lake and Round Lake, where the fire departments maintain separate facilities, the original firehouse became too small as equipment was added to serve changing needs.

In the case of the Round Lake area, when that happened the second station was located in a part of town that would put firefighters closer to potential calls. But in neither situation, was a building program taken up because firemen weren't answering their calls fast enough.

Thus, if the experience of neighbors can be utilized, Lindenhurst probably will get a fire substation when storage facilities at the present headquarters start bulging at the seams. Meanwhile, talking about the possibility makes lively conversation.

Double Standard On Debate

When a Grayslake businessman publically chastised Mayor Ed Schroeder a debate was triggered on the propriety of local merchants criticizing hometown officials. In the case of the Grayslake discourse, opinions ranged from "terrible," "poor taste," to "right on" and "it's about time."

Perhaps it was the manner in which the businessman vented his anger against the mayor, a page one blast in the Grayslake Times. Perhaps the critics of the criticizer were more offended by the means than the manner. Suffice it to say that Ross Zanzucchi, proprietor of a photo studio, touched sensitive nerves in taking to the public prints to sound off about what he considers the mayor's shortcomings. But give Zanzucchi credit for displaying unusual courage.

From long experience and familiarity with main street, we have seen business persons shy away from local controversy or bite their lip when conscience dictated that they speak out because it "will hurt business." We can appreciate their reticence to exercise their right of speech because we have seen them suffer. They suffer sometimes because society invokes what amounts to a double standard against local business people. John Q. Citizen can sound off and he's either a kook or exercising his right of free speech. Let a local merchant take the same soapbox and the typical reaction is that he's "hurting the town."

We say "horsefeathers" to both the double standard and the viewpoint that the merchant is performing a disservice. Let's judge the businessman on the merits of his

argument and not the fact that he happens to be the operator of a local business establishment. Zanzucchi and Mayor Schroeder undoubtedly will iron out their differences. We hope that they do and that some good comes of the controversy. Maybe Zanzucchi has started a trend. It wouldn't hurt for business persons in neighboring communities to take note.

Editor's Viewpoint Kindly Minister Leaves Legions of Friends

By BILL SCHROEDER

During his active ministry, the Rev. Lauren H. Messersmith probably was west Lake County's best known clergyman. Only one other cleric might have rivaled him for public recognition, that was the irrepressible, incomparable St. Bede's priest, the late Rev. John Coleman. Rev. Messersmith got acquainted with literally thousands of Lakeland residents because he stopped to chat with all patients from this locality on his hospital rounds. It wasn't necessary to be a resident of the Millburn community to receive one of his friendly inquiries, "How're doing today?"

The bespectacled energetic man now rests in a country cemetery in Nebraska, not far from where he grew up, went to college and became a school teacher. Those were the days before he got the proverbial "call," that beckons most persons to the clergy. That came during World War II and brought him and his wife to Millburn to become pastor of the rural Congregational Church where he served until retiring in 1973.

Rev. Messersmith didn't retire in the sense that he settled into a rocking chair. He substituted and also did several stints as an interim pastor in Hawaii, which was pretty neat for a guy who worked hard all his life and wasn't used to being spoiled with a lot of pay. The sojourns to the islands fit nicely with his new lifestyle at Leisure Village, Fox Lake.

Lauren Messersmith won instant respect from everyone he came in contact with because he was easy to recognize as a genuine article, the real McCoy they used to say. There wasn't a speck of pretense or pomp in that Cornhusker's body. He was a true man of God. Rev. Messersmith came from an era where it was important for two people in love to be married and not just living together, and if their own faith prohibited marriage for any reason, the Millburn minister was happy to hear their wedding vows.

There aren't many people of whom it can be said that they'll be missed. So that puts Lauren Messersmith in a special class because there's a void now that he's gone. I'm betting that his legions of friends will agree.

NEW TOPPER — Somehow, auto man Ray Bernard manages to top himself each year when he stages his benefit golf outing. This year the 14th Annual Ray Bernard Golf Classic will feature more than \$93,000 in prizes in the June 21 outing that will be

staged at Marriott's Lincolnshire Resort for benefit of the Medical Center of Lake County, Condell Memorial Hospital.

According to Ray's script, everyone attending will be a VIP guest whether golfer or nongolfer. After the daytime fun, everyone attending will join a western-style party. For golfing only the donation is \$85 per person. You can spend more or less depending whether you enjoy the sun at the pool or stay overnight.

—Jane Byrne, who is fixing to run for mayor of Chicago again, also is fixing to tap new sources of revenue for her campaign till. Byrne invaded Lake County several weeks ago, we're told, to raise money at a shindig in Highland Park. Several hundred persons turned out to chat with Miss Jane at a low-key gathering that was anything but subtle about the needs of her campaign treasury. There wasn't a report about how much money was raised for Jane.

Disabled Learn Independence At Workshop

by LEE ANN MACKULIN

"To give people the opportunity to use what they've got to be more complete human beings... that's what we do," said Ralph Walberg, executive director of Countryside Assn. for the Handicapped, Inc.

Countryside, located in Waukegan, serves the developmentally disabled in Lake and Northern Cook Counties.

"We're very similar to the whole education process, whether it be grooming, eating, dressing themselves, learning how to use their leisure time or learning how to get along better with their peers. A person should be able to take care of themselves," Walberg said.

A behavioral specialist works with the clients on a daily basis.

"The most important thing we have here is empathy. We feel very fortunate with the type of staff we have here. We find out what we can do to make their (clients) day go just a little better...how we can make them more independent. Everyone working in our program has a plan to make these people better," he said.

With the average age of clients at Countryside being 26 (the youngest 16 and oldest

60) many live at home, attending the school on a daily basis. Still others live in residential housing projects designed to meet their needs.

The association receives financial support from the Illinois Dept. of Mental Health, Illinois Dept. of Rehabilitation Services, United Way, township revenue-sharing funds, client fees and subcontract income. Donations and contributions by private individuals, corporations and other organizations are also welcomed by this non-profit corporation.

Clients are grouped in four levels: communication training that helps preserve and improve language and concept skills; functional academics, which includes skills enabling an individual to be more active and independent in daily life; motor and recreation groups, who are taught new skills or helped to maintain or improve upon skills needed for daily activities and work skills training for small groups ranging from pre-vocational level to subcontract work performance level.

The Sheltered Employment program provides subcontract work opportunities,

social and remedial education and other supportive services to assist people in maintaining or improving their capabilities for independent living and achieving maximum earning potential in a sheltered work environment.

Clients in this program produce at a minimum of 50 percent of industrial standard.

Another facility is based in Palatine. Vocational Development offered is comprised of five subcategories: vocational evaluation, adjustment training, community skills training, job placement and short-term counseling and placement.

To be eligible into one of the programs, a

client must be 16 years or older, vocationally limited due to developmental, mental or emotional disability, not harmful to self or others, able to care for personal needs, able to participate in a vocational program for a portion of each day and able to benefit from participation in Assn. programs.

"We try to place clients any place where that person can find a job and function," Walberg said.

"We've seen the same type of progress during the past ten years...the difference we're seeing is more people benefitting from our help," he said.

For more information on the programs, call (312) 438-8855.

Offers Dental Screening

The Lake County Health Dept. offers dental screening by a licensed dental hygienist for adults and children at no charge to Lake County residents and at the Mid-Lakes Medical Building, 6 E. Main St., Round Lake Park.

Dental screening and oral health instruction will be offered there from 1 to 3 p.m. on Wednesday, June 12. No appointment is necessary.

This dental session reinforces professional dental care and promotes good oral health habits. The hygienist

will inspect the mouth, teeth and gums for possible defects and will instruct individuals in good tooth-brushing and flossing techniques.

If the hygienist finds a possible problem she will prepare a written report and refer the person to a dentist.

A dentist from the Barwell Settlement, Inc., of Waukegan, will be at the Mid-Lakes Medical Building on June 3 and June 17 to examine and treat school aged children. To be eligible for this service, the child's

family must have an income below a specified level (based on family size), or be Public Aid or Township Assistance recipients. Fees are based on ability to pay. No one will be refused care because of inability to pay.

This dental service is funded by a grant from United Way of Lake County to the Barwell Settlement.

For more information, call the Mid-Lakes Medical Building at (312) 546-6662. For an appointment for a child, call the Barwell Settlement at (312) 244-5699.

Lost Dogs At Shelters Come From Area Homes

By CHARLENE WHITNEY

If you have lost your cat or dog over Memorial Day weekend, it could be that you'll find it at the Lake County Animal Shelter. However, they only stay there a couple of days before going on to Orphans Of The Storm, where animals are held for about seven days.

The animal shelter is located outside of Wauconda, on Rte. 176 at the Forest Preserve. Orphans is located at 2200 Riverwoods Dr. in Riverwoods, west of Deerfield.

When I toured the shelter, I saw a beautiful brown, male dachshund, which was found at Illinois Beach State Park. Also, there is a male German Shepherd with a brown collar, found in north Knollwood. There is also a male Labrador, tan with whitish fur, found in Drive Lake.

Other lost pets include a male Doberman Pinscher, about eight months old, found at Gages Lake Rd. and Rte. 45; a small mixed shepherd, female, found and turned into the Gurnee Police Dept.

In other areas, Wauconda had two lost dogs. One is a black male, more of a poodle

believed that she may be about 10 years old. She would be perfect for the older couple who would like a nice dog.

If you or any of your friends or relatives have lost a pet, please be sure and check with the Lake County Animal Shelter or Orphans of the Storm. Perhaps one of these pets belong to you or a friend of yours. Also keep in mind that animals can travel many miles from home.

All dogs and cats should have a collar with the phone number and address written inside the collar or a nametag put on the collar. Rabies tags also help to find the owners and if your pet should bite while it is lost, the tags tell of the rabies shot given.

That could make a big difference if someone did get a bite from your pet and then took off. The shots are painful for the victim.

A lovely Calico cat that is spayed, front feet declawed and a beautiful cat, is also looking for a home. If anyone is looking for a really nice cat, this is it.

If interested in these two animals, Call Len Hackl at (312) 526-5336. Len Hackl has a love for animals. He works with our animal shelters every day and yet he is always going

out of his way to save each and every one that is picked up or comes into the shelter.

The shelter has had a few most needed improvements. They now have four new trucks much needed as the others had so many miles, they were always breaking down. There is a new first aid room for the vet to check animals and give shots, etc. The heating unit has been fixed up and as always, you can find everything clean and neat.

Len Hackl is a trustee for the Illinois Animal Control Association (IACA), which is getting started. This group is helping to train people in this field on how to better care for and catch animals that need help. Speakers are helping the group and each and every one of these people want only to do their best for each and every animal. They hope to establish training programs.

Keep in mind that the shelter is not just out to get your pet. Some people don't understand that. They are there to help your pet and any group or person that they can serve. Feel free to call anytime for any reason and they will try to help.

Not all dogs are picked up wandering the streets. One Doberman was there because (Continued on Page 5B)

look. He was found on Bonner Rd. The other looks like a Golden Retriever female, found at Rtes. 12 and 176. A male, Husky or perhaps part Collie and shepherd, was found in Wadsworth.

A black and white cat was found in Chain-O-Lakes State Park. A pure black mother cat with five older kittens were found under a trailer and they are very lovable cats, as the mother cat tried to reach for me as I went by. If they are not claimed, they can be up for adoption at Orphans.

There is also a female, purebred Beagle dog looking for a good home. She is tricolor and beautiful. She had been dumped by her owners because of her age. It is

Indoor Barbecue Leaves Less Cleanup

I don't keep a trivia log on recipes. But without a doubt if there were a record for most consecutive weekends prepared, top-of-the-stove barbecue would be it.

I don't recall where I picked up the recipe, but I have honed it over the years - since it first appeared in Pilot Light.

One month I made the barbecue four straight weekends. "Make that for my guests," my wife instructed. "No problem," I said. "Make that again for my luncheon friends," Anita said. "Really, again?" I asked. By the fourth week, I was barbecued out.

When one of my wife's sisters, her son and a granddaughter recently visited from Texas, I got the fateful order.

The next day my stepson dropped by and said hello after remarking: "I hear you made some great barbecue."

What my wife likes about the recipe is that I don't dirty the oven and she only has to clean one pot.

I especially like the recipe because you don't have to crave barbecue just during the summer.

The next weekend, however, I suggested we dine out. We did. We did not order barbecue - I saw to that.

Top-of-the-Stove

3½-pound pork shoulder blade Boston butt
2 tablespoons cooking oil
½ cup brown sugar
½ cup water
¼ cup cider vinegar
2 medium onions, coarsely chopped
1 large green pepper, chopped
1 can (6 oz.) tomato paste
3 tablespoons chili powder
2 teaspoons Worcestershire sauce
2 teaspoons salt

Trim excess fat from pork, cut meat into small chunks, remove any small bones, lightly brown pork in hot oil in Dutch oven and drain most of grease. Stir in remaining ingredients, bring to boil on medium high heat, reduce heat to next lowest setting, cover and cook 2½ hours, occasionally stirring but more often during last half of cooking. Whisk meat until shredded. Serve on sesame seed hamburger buns. Makes eight hefty sandwiches.

Women's Health Seminar Topic

Women today face a myriad of concerns regarding their health. What methods of birth control are safest and most effective? Is 39 too late to think about a first baby? Can I do anything to prevent osteoporosis? How can I deal with menopause?

These and other questions

will be addressed at "Issues in Women's Health Care," 8:30 to 11 p.m. Saturday, June 15 at Good Shepherd Hospital. Presenters will be OB/Gyn specialists Richard Smith, M.D.; George Pepper, M.D.; Randy Zimmerman, M.D. and Tom Meyer, M.D.

Everyone is welcome. par-

ticipants will be able to attend one of two concurrent sessions. Depending on areas of interest. A \$5 registration fee includes breakfast.

Reservations are required. Please call (312) 381-9353 no later than June 13.

Offer Speech Therapy

A pair of four-week therapy sessions for children with speech or language problems will be offered this summer by Good Shepherd Hospital's speech and language department.

The summer program includes an initial evaluation along with eight therapy sessions which meet twice a week June 10 through July 5 or July 29 through Aug. 23.

"Now children who receive speech and language

therapy in school can continue to make gains and not fall back during the summer months," said Connie Van Hagey, speech and language pathologist at Good Shepherd.

The hospital's program will be geared to the specific needs of each child. "Children will be evaluated before the program begins so we can determine whether individual or group sessions will be most beneficial," said Van Hagey.

The length of each session will be 30 minutes for individual therapy or 60 minutes for group settings in which two or three children participate.

For further information about the summer speech therapy program, contact Good Shepherd's physical medicine department at (312) 381-9600, ext. 5360.

DON DEUSTER

What is hearsay evidence?

Courts generally do not admit second-hand statements of fact made by persons who are not in court and subject to cross examination. Hearsay is like gossip where the witness repeats what someone else has said.

What is plea bargaining?

In traffic and criminal courts the prosecutors and defense attorneys, in consultation with police and witnesses, try to work out fair and proper sentencing arrangements to present to the judge. In return for a guilty plea everyone agrees on the penalty thus avoiding the time and expense of a trial in every case.

What is judicial notice?

Courts do not require proof of commonly known facts, such as the law of Illinois, geographic, scientific, historic facts, the meaning of words, and business customs. The judge takes notice of such obvious facts.

his owner, a young girl, was unable to care for the animal.

Another dog is there because the owner came to get him, but instead ended up assaulting the warden. The dog has been there since April 8 and officials are trying to give it plenty of time for someone to claim it.

There are far too few thank you's said to these people who only want to see the owner and the pet back together again. If the pets

no longer have an owner, they hope to see them find a good home. No one wants to see these pets put to sleep. It's a hard job but a great love is with each person that works with these animals.

Who knows, it might be your pet that got lost and animal wardens found it before it got hit by a car or starved to death. It might be you who needs the help of an animal warden if you have other pet problems. Lets be thankful that we can call on them.

Nielsen's File Lawsuit against Antioch Police

Three members of the Nielsen family of Lake Villa have filed a \$1 million lawsuit against the Antioch Police Dept. (Village of Antioch) and four of that department's officers, James Blackwood, Ronald Roth, Charles Watkins and Dennis Granfield.

Former Lake Villa Mayor Ted Nielsen, 46, who served in that office from 1973-1977, his brother Fred, 50, and his daughter Christie Nielsen Dykstra, 22, claim that they were "willfully, wantonly and maliciously beaten" by the four officers.

The incident, which reportedly sent Nielsen to the hospital, occurred in November 1983 when Nielsen and his brother were at the police department to post bond for his daughter's boyfriend who had been arrested for driving while under the influence of alcohol.

As a result of the foray that ensued, Nielsen went to Victory Memorial Hospital for treatment and Officer Roth was treated for a sprained hand at St. Therese Trauma Center. According to the Antioch Police report, Watkins had his uniform torn during the fracas.

When the nine charges against the Niensens, that included disorderly conduct and resisting arrest, were brought in front of Judge Ira Singer in April of 1984, the judge dropped a criminal trespass and a battery

charge against Ted Nielsen because of insufficient evidence.

Assistant States Atty. Pat Quilty then dropped another battery charge and a resisting arrest charge against Nielsen. Charges against the other two of resisting arrest were dropped by the judge and in turn the states attorney dropped the other count of disorderly conduct against them.

Nielsen then pled straight guilty to one battery charge and received a \$100 fine and three months supervision.

Speakers Available

Groups and organizations who would like to have speakers on health-related topics may make arrangements with the St. Therese Hospital Speakers' Bureau. The public relations office recently produced a new and expanded list of speakers who are available, free of charge, to speak about a variety of topics. Some of the subjects covered are "Career Opportunities in Healthcare," "Diabetes and Medicine," "Home Health Services," "Medicare Counseling" and "Radiology." Other topics include "Smoking," "Volunteering," and "Social Work." To make arrangements call St. Therese Hospital Public Relations at (312) 578-2609. A complete brochure about the Speakers' Bureau is also available.

Board Raises CLC Tuition

CLC district students will pay \$25 for tuition and fees per credit hour this fall under a tuition increase passed by the CLC Board of Trustees at its regular

meeting on May 28.

"CLC has experienced a drop in enrollment which has resulted in lower revenue," said CLC Board Finance Committee Chairperson Eleanor Rostron. "Expecting this trend to continue, we find it necessary to increase tuition."

The action represents a \$1.85 increase over the in-district rate of the past two years. Students will continue to pay 90 cents per credit hour activities fees in addition to the \$24.10 tuition rate. Tuition for a typical full time semester will now be \$375.

In other action the board voted to retain Joseph Legat Architects of Waukegan to

begin architectural work on the CLC Automated Industrial Center to be located in the Lake County Area Vocational Center and renovations on the Theatre Building on the Grayslake campus.

"The LCAVC is the most cost-effective site because of space which has become available there," said CLC President John Hunter.

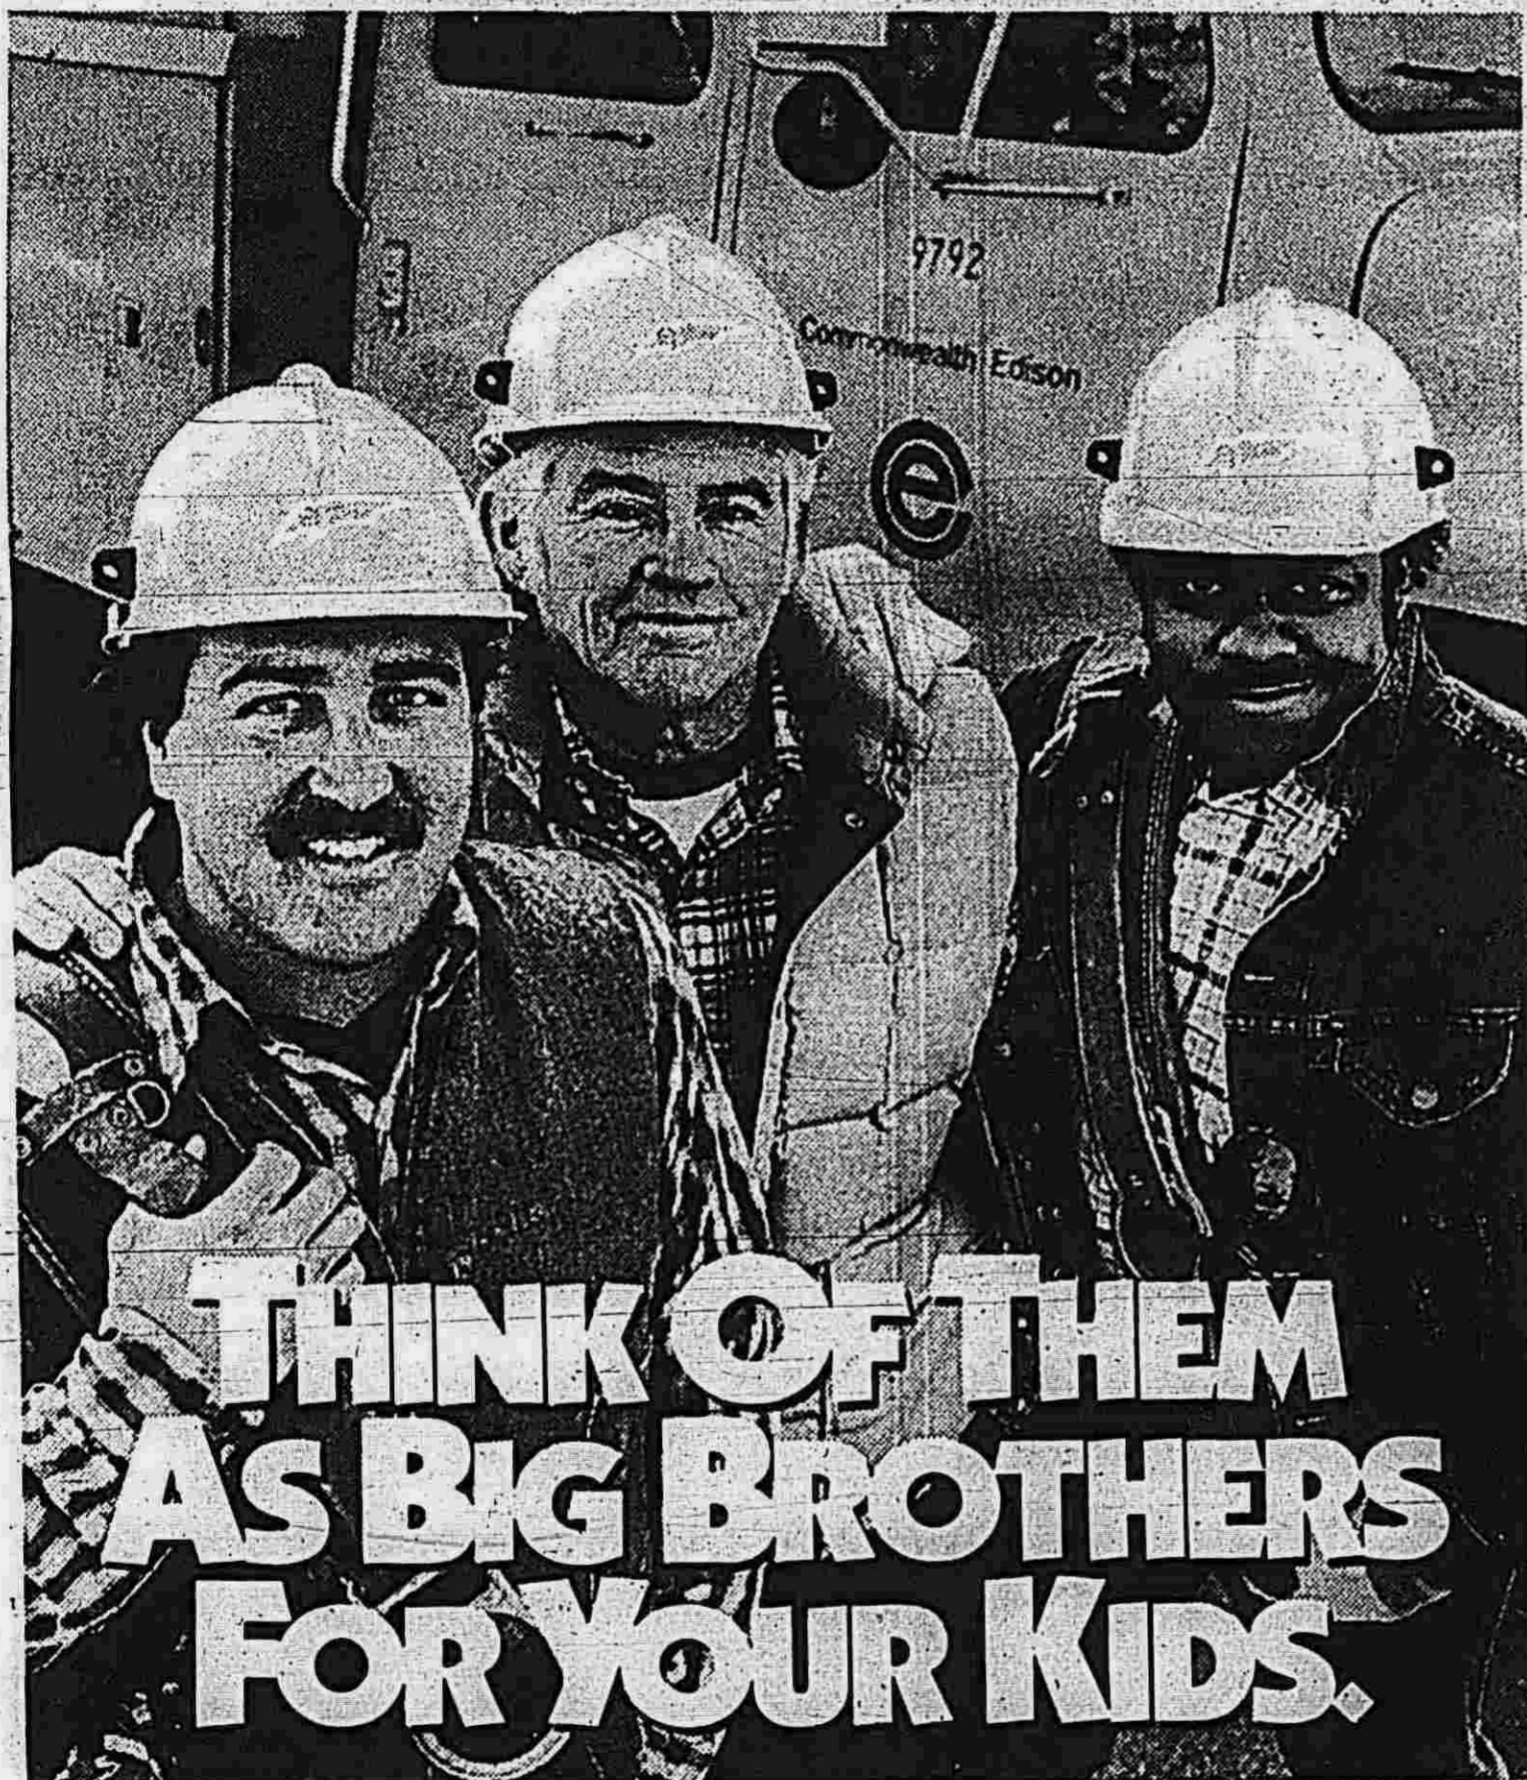

The Center will combine computer assisted design, numerical control, software technology and robotics into a prototype "factory of the future." The board also passed a resolution to investigate an increased relationship with the LCAVC.

Presents Health Seminar

Good Shepherd Hospital will be presenting, "Issues in Women's Health Care," a special seminar, on Saturday, June 15, from 8:30 to 11 a.m.

Reservations are required. Please call (312) 381-9353 no later than June 13.

THINK OF THEM AS BIG BROTHERS FOR YOUR KIDS.

It's sad. We can't take it for granted anymore that our children will make it to school, or the store, or the movies, and back.

We can't be sure it's safe for them to play in the park, or the schoolyard, or even the front yard, alone.

Until we can again, until they're finally out of danger, we're turning every Edison employee into family. To give kids in trouble or lost someone to turn to, someone who cares, when there's no police officer close by.

It's not a solution to the problem by any means, but it's a start. A team effort that all of us at Commonwealth Edison take very seriously. Especially the hundreds of crews we have working out on the streets.

Your kids can spot our trucks a long way off. When they see that big E in our logo, or the E-team emblem, they'll know they're among friends.

Please, tell 'em to look for us.

Rate Slashed For New Homes

McHenry State Bank will drastically reduce interest rates on home mortgages in June. In making the announcement, President Thomas F. Bolger said that the single digit mortgage rate is back.

McHenry State Bank has always been a top mortgage lender in the area, therefore, it is appropriate that we take the lead in reducing rates, Bolger said. A recent report published by Northern Land Title Company substantiated Bolger's claim as it showed

that the McHenry State Bank was the top lender on McHenry property for the first three months of 1985.

Richard A. Lane, vice president in charge of lending, said the board of directors authorized the following rates during the month of June: 9.9% with 3% service charge re-negotiable in three years; 80% appraised value, new purchase or new construction of owner occupied homes in McHenry trade area.

Honor Students

Five area students were among the more than 225 Monmouth College students honored at the school's annual Honors Convocation. These students include:

Darci Krahn, Antioch, was recognized as a member of Beta Beta Beta, the national honorary biology fraternity. Krahn is the daughter of Mr. and Mrs. Gilbert Krahn of Antioch, and is a junior science major.

Eric Landrum, Grayslake, received the Psychology Dept. Award, the Psi Chi Award and the Speech Communication and Theatre Arts Dept. Award. He was also recognized as a member of Mortar Board, an honorary society for seniors, and Sigma Omicron Mu, the upperclass honorary scholastic fraternity. Landrum is the son of Mr. and Mrs. Alva Landrum of Grayslake, and is a senior speech communication and theatre arts and psychology major.

Penny Young, Gurnee, was recognized as a member of Blue Key, the honor fraternity for seniors of outstanding character and ability who have won campus distinction for service, leadership and scholarship. The sophomore biology and music major is the daughter of Mr. and Mrs. Raymond Young of Gurnee.

Lisa Lightbody, Mundelein, was recognized as an Honor Scholar Winner upon entrance to Monmouth College. She is the daughter

of Mr. and Mrs. Robert Lightbody of Mundelein, and is a freshman nursing and Spanish major.

Keith Johnson, Wauconda, received the Lubrizol Scholarship, and an M-Club Varsity Athlete Award. He was also recognized as a member of Blue Key, the honor fraternity for seniors of outstanding character and ability who have won campus distinction for service, leadership and scholarship. The son of Mr. and Mrs. Kenneth Johnson of Wauconda is a sophomore biology and computer science major.

Monmouth College is a liberal arts college with some 700 students and 65 faculty members. It is located in Monmouth, Ill.

Honor Teacher

Larry Reinhard has been honored by the National Science Foundation for his outstanding teaching. Reinhard, a science teacher for 16 years at Johnsbury Junior High School, has been selected as an Outstanding Science Teacher in Illinois. This distinguished award acknowledges the 30 most outstanding elementary and middle level teachers in the state. Reinhard was one of the 30 selected out of 270 applicants.

New Explorers

Cook County Sheriff Richard J. Elrod, right, presents a certificate of graduation to Explorers of the Lake County Sheriff's Police Explorer Post 66, upon their completion of the Law Enforcement Explorer Training Program. The course trains the Explorers in the basics of law enforcement to aid them in assignments with the Lake County Sheriff's Police Dept. The explorers left to right are: Daniel Zerfass of Wildwood, Chris Smith of Grayslake, Greg Maro of Vernon Hills, Roy Lamprich III of Vernon Hills and Joel Blumof of Libertyville.

Water Agency Viewed As 5-Town Solution

Five Lake County communities would find it easier to form a cooperative agency to obtain Lake Michigan water under legislation sponsored by state Rep. Virginia Frederick (R-59) and approved by the Illinois House May 24.

Frederick's HB 2199 won approval on a 73-31 vote and now is before the state Senate. Under the bill, communities which join a Joint Action Water Agency may issue general obligation bonds to cover the cost of pumping Lake Michigan water. Co-sponsoring the proposal with Frederick were fellow Lake County legislators Bill Peterson (R-60), John Matijevich (D-61), Bob Churchill (R-62) and Grace Mary Stern (D-58).

"It's just not practical for some communities to un-

derwrite the cost of a water system alone," Frederick said. "This legislation will save money for taxpayers, since communities can pool the costs of a critical service that must be provided."

Frederick explained after the May 24 House vote that five Lake County communities—Lake Bluff, Libertyville, Mundelein, Gurnee and Grayslake—would like to band together to share the cost of the infrastructure they must build to obtain water from Lake Michigan.

Under the legislation the bond issue must be approved by voters and cannot exceed 5.75 percent of the equalized assessed valuation of property in the area served by the Joint Action Water Agency.

The Central Lake County Water Committee has been

continuing its efforts to bring Lake Michigan water to the communities involved.

The rate-methodology subcommittee is working to establish firm cost estimates for the construction, operation and maintenance of a water system. This group is also considering the alternative cost of purchasing lake water and pumping it to member communities.

Installation costs for the transmission mains would generally be based on distance from the plant and volume used. Member assessments for operation and maintenance would be on a cents-per-gallon-used basis.

If the decision is made to purchase water from several sources, all members would be charged an average rate.

Settlers Marked Pace In Tradition Of GOP

by JOHN STEINKE

Here is the first question for the new trivial pursuit game on Lake County politics. Which one of Lake County's 18 townships was named after the first Republican presidential candidate in U.S. political history? No, it is not Abraham Lincoln, who was the first Republican elected to the White House. Lincoln was not the GOP's first presidential nominee. Besides, we don't have an "Honest Abe" township in Lake County.

You are right that we have a Grant Twp., which was renamed after the famous Civil War general. Later, Ulysses S. Grant served two terms in the presidency. The Grant administration has been characterized as "The First Era of Good Stealing" in American presidential history. Recent events in Fox Lake again demonstrate why that village is part of Grant Twp.

Now, you're wasting time. Yeah, I know it's a tough question. It's like trying to remember the last time that Larry Bowa hit the ball out of the infield.

The first GOP presidential aspirant was John C. Fremont in 1856. Fremont lost the election to Democrat James H. Buchanan. The early settlers of Fremont Twp. conducted a vigorous debate over the designation of the new township. Every resident modestly believed that the township should be honored with their own family name. The stalemate dictated a compromise. The choice was Fremont.

Before his presidential nomination, Col. John C. Fremont was known to the country as "The Pathfinder." Fremont had a career that sounded like a John Wayne movie with the exploits of Superman dubbed in. He had eloped with the daughter of Sen. Thomas Hart Benton of Missouri, explored the summits of the Rockies, fought in the Mexican War and served in the U.S. Senate from California.

Fremont first attracted media attention when he explored the Oregon Trail in 1842 with the famed Kit Carson. His autobiography falsified tales of how he had

been able to eat a dog at an Indian banquet, braved dangers that the fearless Carson refused to face without first making a will, and how he planted the Stars and Stripes on what was presumably the pinnacle of the Rockies. By 1856, Fremont was a national idol. There is little wonder that Fremont was nominated for president as well as named for a township in Lake County.

Steinke On Politics

In 1856, Fremont Twp. proudly cast 94.3 percent of its votes for "The Pathfinder." Fremont received 149 ballots to only nine for James Buchanan, Democratic presidential nominee. Fremont Twp. only once out of the 35 presidential elections held since 1856. During the Great Depression, Democrat Franklin D. Roosevelt defeated GOP president Herbert Hoover, 325 to 233 in Fremont Twp. FDR garnered 58.2 percent of the two-party vote. Roosevelt's 1932 percentage is easily the highest ever received in Fremont Twp. by a Democratic presidential candidate.

In six out of the last 10 presidential elections, the GOP vote exceeded 70 percent. Only President Dwight Eisenhower's 1956 percentage exceeded Ronald Reagan's 1984 margin.

This column is the first of a three-part series on Mundelein and Fremont Twp. politics.

Mitchen Is Best Pupil

Michelle Lynette Mitchen, of Lindenhurst is the 1985 Antioch Community High School Valedictorian.

Mitchen has accomplished more than just a 5.0 grade point average while at ACHS. She was on the Cross Country Varsity Team for four years, chosen captain her senior year; participated in marching band for four years, symphonic band a year and a half and concert band for two years, playing the flute. She was also active on the Accounting Team and the Jets Team her senior year.

Mitchen was named to the National Honors Society, received an Illinois State Scholarship, Girls State and an Antioch Rotary Club Scholarship.

She will attend the University of Wisconsin-Whitewater, to major in business. This summer will see her busy at the College of Lake County getting ahead of herself in credit hours.

Jean Marie Locher of Lindenhurst is the 1985 ACHS Salutatorian.

Receiving a grade point average of 4.919 she was also very active in school activities. She was active in student council her junior and senior year, on the executive board her junior and senior year, German Club for four years, on the Volleyball team, Track Team, Tennis Team and Basketball Manager.

Locher plans to attend the University of Iowa to enter into a medical related career.

Twins Get Top Honors At Grant

The graduating class at Grant High School was represented at the ceremony by some bright young ladies. Two of them were the valedictorians and two were

salutatorians. The valedictorians just happened to be twin sisters.

Debbie and Cathy Klimek shared not only sisterhood, but the honor of being the top students in their senior class.

The look-alikes will not share the colleges they are going to. Debbie plans to go to Quincy College and Cathy said that she will go to Wartburg in Iowa. While they have similar interests in some things, their academic and career goals are not the same.

Debbie plans to study sociology or social work at Quincy and possibly become a social worker. Cathy said that she would major in political science and consider law school.

Both have earned scholarships to their respective schools, Debbie

for her ACT scores and grade point average. Cathy will receive \$1,000 per year, also because of her grades.

The girls do not credit anything special toward their being twins and sharing the honor of valedictorian. They say that their parents helped, but not a lot. They add that they do not study nine hours a day.

"It comes real easy to us," Cathy said about their studies.

"My parents are both intelligent," Debbie said, adding that "they never helped us a lot with homework — a little with math."

The other students honored were the two salutatorians from the Grant senior class. Pam Westfall and Vania Mark shared that honor in the graduation ceremony.

Warren Names Top Students

Lisa Ann Fallos is the 1985 class Salutatorian at Warren Twp. High School.

During her high school career Fallos was in band for two years, she participated in Future Business Leaders of America for one year, and was a member of the National Honor Society and the Junior Exchange for one year.

Fallos attended the Lake County Area Vocational Center for two years and was nominated as Outstanding Student, she also became a finalist.

During her sophomore year Fallos placed first place in a typing Production Contest which was sponsored by the Vocational Olympics.

Fallos plans to attend Illinois State University and plans to major in Special Education for the Deaf-Hard of Hearing.

The Valedictorian for the 1985 school year at Warren Twp. High School is Julia Western.

During her high school years, Julia participated in many activities. She has performed in the marching, concert and jazz bands, played on the tennis team, participated with the forensics team in extemporaneous speaking and the academic bowl as well as working in the pit band and

the stage crew for the school musical.

Western's awards and achievements include: National Merit Finalist, Illinois State Scholar, Gurnee Exchange Club of the Year, DAR Good Citizen, she received a superior and excellent rating in Solo and Ensemble Contest.

Western also was a member of regional band in 1983.

Western plans to attend Harvard-Radcliffe and go into International Law.

Top Grads

The 1985 class at Grant High School had four students, two valedictorians and two salutatorians, represent them. From left to right is Salutatorian Pam Westfall, Salutatorian Vania Mark, Valedictorian Cathy Klimek and her twin sister, Valedictorian Debbie Klimek. —Photo by Peter Gill.

Name Best

Leanne Bourdas and Pam Maybaum were Round Lake High School's Class of 1985 Valedictorian and Salutatorian respectively.

Bourdas will move on to the College of Lake County, while Maybaum has been accepted at the University of Illinois (Champaign-Urbana).

According to Round Lake High School Counselor Joe Jordan, both students were very active in high school organizations.

Bourdas was president of the National Honor Society her senior year and Maybaum was president of student council during her last year of high school.

Both of them were members of the National Honor Society and winners of the Illinois State Scholarship Commission Certificate of Merit awards.

Maybaum won the award for Student Council Achievement during her junior year. "That's a very prestigious award because there is only one given," Jordan said.

Jordan also said that Maybaum was the recipient of the Senior Citizen Award. As far as grades go, Jordan said both of them were above the 4.0 mark on a 5.0 scale (which is possible due to honors classes).

Hope Reagan Speech Keys Lowering Of Rates

by GARY S. MEYERS

Interest rates across the country over the Memorial Day holiday week continued to fall. But how long will they continue falling?

"The recent cuts in the prime lending rate and the Fed discount rate are showing themselves strongly in the consumer markets," said Robert Stenbeck, chief economist for The Meyers Report. "We expect that the President's tax reform message Tuesday night will be favorably interpreted. The optimism generated from the speech should encourage bankers to lower rates even more."

However, there is a floor to everything. The Federal Reserve has already established, through its actions, a bottom for the trading of Fed funds, the overnight loans banks make to one another.

"For now the bottom for Fed funds appears to be in the 7.6 percent to 7.75 percent range," said Stenbeck. "As soon as the funds were trading at the lower end of the range, the nation's central bank quickly put money into the system and edged the rates up to 7.75 percent, where they are trading this afternoon."

The Meyers Report is still holding the view that the economy is healthier than most realize and that the current round of interest rate cuts is simply not justified.

"To artificially stimulate the economy by forcing rates down is to ask for inflation and higher interest rates, as happened only two years ago," said Stenbeck. "At that time inflation was rekindled. This occurred when inflation was not a major concern, just as it is not today."

Treasury yields May 28 were consistently down when compared with a composite five-day average ending the previous Friday.

Treasury Yields				
Term	Tues.	Last week	Week before	Last month
90-day	7.30	7.48	7.60	8.03%
6-month	7.63	7.79	7.94	8.45
1-year	8.03	8.20	8.33	8.87
2-year	9.04	9.13	9.32	9.84
3-year	9.33	9.43	9.71	10.29
5-year	9.90	10.06	10.31	10.79
10-year	10.41	10.60	10.84	11.27
20-year	10.82	10.96	11.19	11.58
30-year	10.73	10.87	11.03	11.36

SAVINGS: Nationwide, money market

demand accounts fell to 7.37 percent, while 6-month certificates fell to 8.05 percent. Thirty- and 42 month CDs fell to 9.30 percent and 9.61 percent, respectively.

Both fixed- and variable-rate 18 month IRAs were also down this week. Fixed-rate IRAs fell to 8.77 percent, while adjustables fell to 8.56 percent.

LOANS: Fixed rate 30-year mortgage loans fell to 12.72 percent, while 1-year adjustable rate loans fell to 10.14 percent this week.

Home improvement loan rates fell to 13.81 percent from last week's 13.85 percent, while 48-month auto loans rose to 13.48 percent from 13.45 percent.

The Meyers Report

Economic forecaster Gary S. Meyers has been a lecturer and consultant to major financial institutions, government analysts, real estate developers and daily newspapers throughout the nation for the past 16 years. Readers are invited to submit comments and questions for possible use as subjects for future columns. Write Gary S. Meyers & Associates, 2200 S. Main St., Suite 106, Lombard, Ill. 60148.

The deregulated FHA rate dropped to 12.08 percent this week.

THE FORECAST: Over the next two months the economy should prove itself to be healthy.

In the short term, look for:
* Six-month Treasury bills could slip to 7.25 percent and 30-year Treasury bonds could fall to 10.50 percent before they finish.

"It all depends upon how much the Fed wants to stimulate the economy," said Stenbeck.

* Consumer savings rates should fall by almost a full half percent over the next two to three weeks. Consumer home mortgages and other loans should see declines of roughly half that amount.

Bankers escaping from current low Fed funds rate should beware of getting their funds tied to low interest rate, long-term mortgages.

New Care Center Open In Antioch

A new Medical Center is now open in Antioch. The center will bring the first full-service medical care of its kind to the Chain of Lakes Area.

Medical services offered will include: Family Practice, Internal Medicine, Pediatrics and Radiology.

The Antioch Center will offer a special program for senior citizens, along with many other programs designed to fit the needs of the community.

Industrial Medicine is a very special part of the Medical Center's practice. With the

capabilities to handle most accidents which are not life threatening, the Antioch Center will soon become an important part of this community.

The Center is located in the Heritage Building at 800 Main St., Antioch. They have a 24-hour answering service and a physician is available on call at all times.

The physicians are on staff at both Condell and St. Therese Hospital.

For more information about this Center or any of the Lakeland Centers, contact Linda at (312) 395-9180 or (312) 362-9050.

Properties Unlimited Now Open In Gurnee

Properties Unlimited is now open at its new location at 4949 Grand Ave., Gurnee.

Prior to moving to its new location on May 31, Properties Unlimited was conducting business at 500 N. Green Bay Rd., Waukegan.

According to Shirley Peterson, vice president, the real estate business (Properties Unlimited) will be participating in two grand openings in the near future.

"We will be having our own grand opening

in approximately one month and the new shopping center that we're located in will be having its grand opening in several weeks," Peterson said.

The owner of Properties Unlimited is Georgeanne Depke and the president is Mary Blazebeck. Hours include 9 a.m.-9 p.m., Monday through Friday and 9 a.m.-5 p.m. on Saturday and Sunday.

Peterson said they will have 15 Sales Associates.

Approve Merger

Baxter Travenol Laboratories, Inc. has reported that the stockholders of Compucare, Inc. approved the merger of a wholly-

owned subsidiary of Baxter Travenol into Compucare, Inc. Compucare is a leading supplier of information

processing services and software products to hospitals, hospital associations, physicians and other health care providers.

Receives Appointment

Travenol Laboratories, Inc. has appointed Gurnee resident James W. Dobbie, M.D., F.R.C.P., F.R.C.

Path., medical director of its Dialysis Therapy Division. Prior to joining Travenol, Dobbie was a senior lecturer

in medicine at the University of Glasgow and director of a research group at the Glasgow Royal Infirmary in Scotland.

Dobbie holds a degree of bachelor of medicine and surgery and a doctorate in medicine from the University of Glasgow. He is a fellow of the Royal College of Pathologists and of the Royal College of Physicians of Great Britain. He has done extensive research in both pathology and nephrology and is a member of a number of medical societies.

Applications

Funds totaling \$327,685 from the Maternal and Child Health Services Block Grant and Preventive Health and Health Services Block Grant will be made available by the Illinois Department of Public Health to qualified local entities in the West Chicago Region. The West Chicago Region serves Lake and McHenry Counties among others. The State Health Department is accepting applications from entities capable of providing maternal and child health services aimed at reducing infant mortality and preventive health and health services aimed at comprehensive health services.

Hospital Begins Fitness Classes

Good Shepherd Hospital is now taking registration for its Summer Trim Team classes. Trim Team is a ten

week fitness program that teaches weight control through improved nutrition and regular exercise.

Trim Team classes are lead by a registered dietitian and registered physical therapist. The weekly 90-minute sessions are devoted to lecture and hands-on activities dealing with nutrition, exercise, and behavior modification.

Three class sessions will be available: Tuesday evenings, from 6:30 to 8 p.m. beginning June 25; Thursday evenings, from 6:30 to 8 p.m. beginning June 27; or Wednesday mornings, from 9 to 10:30 a.m. beginning June 24. Cost for the series is \$85.

To register for Trim Team, call Good Shepherd Hospital at (312) 381-9353. Deadline for registration is June 17.

Free Training

Beginning Monday, June 10, free pre-employment training classes will be offered at Catholic Charities' Near North Center, 721 N. LaSalle drive, Chicago.

Classes are scheduled Mondays, Tuesdays, and Wednesdays, from 9 a.m. to noon over a four-week period. During this time, you can learn: new approaches to the job search; how to use networking to find jobs; how to market yourself to an employer; how to complete applications correctly; and how to prepare for interviews.

NOTICE TO BIDDERS

Notice is hereby given that the Village Board of the Village of Grayslake, Illinois will receive sealed bids at the Village Hall, 164 Hawley Street, Grayslake, Illinois until Friday the 28th day of June, 1985 at 11:00 A.M., local time for construction of street resurfacing, at which time and place the bids will be publicly opened and read. Bids will be acted upon at such time and place, or at such later time and place as may then be fixed.

The proposed work, officially known as: "The 1985 Community Development Block Grant Street Resurfacing," were prepared by McClure Engineering Associates, Inc., 2025 Washington St., Waukegan, Illinois 60085 and are available for review at that location. The project consists of approximately 480 Tons of Bituminous Mixture Complete, 2" and appurtenant construction on four village streets.

Plans and specifications may be obtained from the Village Hall, 164 Hawley Street, Grayslake, Illinois 60030, upon a non-refundable deposit of \$15.00 for each set.

Contractors for all Contracts must comply with the following:

a. As this construction project is to be Federally funded, all labor standards and equal opportunity regulations will be enforced.

b. The contractor for this project will be required to comply, to the greatest extent feasible, with all Section 3 regulations pertaining to provision of opportunities for training and employment to lower income residents of the project area and to the provision that contracts for work in connection with the project be awarded to business concerns located in, or owned in substantial part by, persons residing in the area of the project.

Not less than the prevailing rate of wages as found by the Village of Grayslake or the Department of Labor or determined by the Court of Review shall be paid to all laborers, workmen, and mechanics performing work under this contract.

All proposals must be accompanied by a Bid-Bond, Certified Check, Bank-Cashier's Check, or Bank Draft, payable to the Village of Grayslake for ten (10) percent of the amount of the bid as provided in the Instructions to Bidders.

Any contract or contracts awarded under this Invitation for Bids are expected to be funded in part through the HUD Program for Community Development Block Grants. Neither the County of Lake, nor HUD will be a party to this Invitation for Bids or any resulting contracts.

The Village Board reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) calendar days after the date bids are to be received and to reject any or all proposals, and to waive technicalities.

Bill To Upgrade System

George Gallagher, president of the Illinois Probation and Court Services Assn. announced that HB 777 (The Probation and Community Justice Act) passed out of the Illinois House of Representatives after third reading by an overwhelming vote of 101 to 4.

The bill is the "final piece" in putting together an upgraded probation system in the state as well as providing funding for local justice practitioners to offer improved programs within the community for dealing with offenders who commit nonviolent offenses.

The bill was sponsored by Representatives Matijevich (of Lake County), Vinson and Ronan.

Victory Becomes Network

It may come as a surprise to those following health care issues that Victory Memorial Hospital has become a Humana Care Plus network hospital.

Although they remain adversaries on the proposal by Chicago Medical School and Humana, Inc., to build a hospital in North Chicago, Victory Memorial Hospital and Humana, Inc. have developed a contract to deliver health services.

"When Humana Care Plus approached us about becoming a participating hospital, we were surprised," said Donald Wasson, president of Victory Memorial Hospital. "But Victory is always open to considering new concepts in health care delivery, so we looked carefully at their proposal. We wanted to determine whether we could continue to provide quality care while offering the Humana Care Plus cost savings to local industry."

"We concluded that Humana Care Plus is a good insurance plan, and we were satisfied that our quality criteria could be met; so we agreed to participate," Wasson continued.

The Humana Care Plus plan permits employees to choose their own physician. For elective hospitalization, Humana Care Plus members have two options: They may utilize a participating hospital where they receive full coverage or they may choose a non-participating hospital where they may be responsible for a larger portion of the bill.

"Despite stringent regulations on health care delivery," said Wasson, "competition in health care delivery is vigorous. And it is resulting in creative relationships—sometimes making, as in this case, for strange bedfellows."

At the outset of their talks, Victory was candid with Humana Care Plus representatives that the hospital continues to oppose the building of the proposed Chicago Medical School Hospital in North Chicago. But, Humana Care Plus is an insurance company, and a separate division from the one proposing to build the hospital, Wasson pointed out.

In fact, Victory undertook to oppose the building of the proposed hospital on the grounds that it would violate the principle of cost-effectiveness to which hospitals are adhering strictly.

At the same time, however, it shares the goal of cost containment with Humana Care Plus which aims, it states, to control costs and pass on the savings by putting a cap on employers' health care costs.

Humana Care Plus conducts an evaluation of employers' current benefit structure and claims experience, proposes a competitive premium for the first year of the benefit; guarantees a cap on premium costs for two, three or four years, depending on the plan selected, and undertakes to perform stringent claims processing.

Lady Sequoits Continue With Improved Play

"The winningest single softball season Antioch's ever had," continued when the lady Sequoits took on Mt. Prospect in the Sectional Championships on June 3. Antioch went into this game after a 6-2 win over Mundelein in the first sectional game June 1.

If victorious, the Sequoits will go down state, June 6-7 to compete against the season's seven other top teams. This would be an "especially nice win" for the Sequoits because Mundelein beat them twice in the regular season.

"We're a record-setting team. They keep getting better and their attitude is great," said coach Steve Wapon.

The Waukegan West Regionals saw the Sequoits sweep, beating Waukegan West 7-1, Grant 3-2 and Zion-Benton 1-0 in ten innings.

Antioch ended the regular season with a 19-4 record.

"Defense and the leadership of the seniors" have been the key to this year's success according to Wapon.

"The whole team has done a great job but the senior leadership has been the key," he said.

The first year head coach commends senior leftfielder Brenda Webb, catcher Tracy Goodyear, second baseman Terry Ramage, shortstop Lisa Rietschel, centerfielder Cheryl Styskal, and rightfielder Michelle Sciortino for their performance this season.

"We've had very good pitching all year from Denise Maple (junior). She was backed up very well by junior Jeri Gutowski," Wapon said.

"They've all done well," he added.

Mundelein Finishes Year With 23-6 Mark

by DONNA DUNCAN

The Mundelein varsity girls softball team finished in the final 32 this year, a step higher than last year's conference championship.

The Mustangs' season ended with an overall record of 23-6, after losing 6-2 to Antioch in the Prospect Sectional semi-finals on June 1.

Previously, the Mustangs beat Antioch 10-9 and 7-5 in conference games.

"A couple errors in the second inning cost us the ballgame," said Head Coach Jim deRivera, adding, "un-

fortunately, our defense wasn't up to par."

The errors came at a crucial time because the bases were loaded with two outs, he said.

Three players credited for hitting were Diane Zemaier, who slammed a triple; Vikki Seilheimer, who belted a double and Liz Steiding, who had one hit.

The 23 wins however, are an accomplishment because it is the most wins on record for any school in the region. Mundelein became regional champions for the first time

this year, breaking its old record of 22 wins set by last year's team.

"We had a very successful season," deRivera said. "The '85 team is the best I ever had in any sport — not only with the record, but with the attitude and chemistry of the team."

With three starting seniors leaving this year, deRivera will look to next year's sophomore Denise Hartmann (10-3) and senior Ellen Press (11-1, All Conference) for leadership in the 1985-86 season.

Celebration Time

Signs At Augustana

Frank Bojnicwicz, standout athlete at Warren Twp. High School, will enroll at Augustana College in the fall of 1985 and will be a member of the school's football team. Bojnicwicz, 6'1 and 195 pounds, earned three letters in football as a tight end and linebacker. He was the team captain and earned all-conference and all-county honors. He also earned three letters in wrestling and was named as Warren's Athlete of the Year.

At Augustana, Bojnicwicz will join a program which is coming off two straight NCAA Division III national championships. The Vikings have also won the last four College Conference of Illinois and Wisconsin football titles and have appeared in four straight NCAA Division III playoffs.

Poaching Helps To Better Doubles Game

by CELESTE PREGRACKE

If you want to play good doubles, you must move at the net. Too many players pick a spot and never move from it. Therefore, their poor partner is practically covering the entire court.

Poaching means that you are going into your partner's territory to get a ball. This does not mean you are a ball hog, but you are a good team player.

Some players feel that they should never cross the center line that is wrong. Most of the time, you can cross the line, poach and quickly get back. On occasion, you will cross the middle line going for a wider poach and the momentum carries you wider which does not enable you to get back. In this instance, your partner immediately yells "stay," and runs to cover your side.

If you poach, your partner's approach will be made easier. If you do not, your partner is forced to cover more court. Remember, your

partner has to serve, run up, react to the direction of the ball, move in that direction, stop and volley or even harder, half volley. You are at the net doing nothing.

All you have to do is make one quick move and try to intercept that ball. If your part-

Tennis Tips

ner's approach is made easier, then your return will probably be harder and put more pressure on the opponents.

Poaching serves another purpose. It puts more pressure on the receiver. If you constantly move around at the net, the receiver might try for a low percentage shot and make the error or they may watch you instead of the ball. Even if you are not going to poach, give the impression that you are.

Finds Success

Joe Olker of Mundelein is finding success in the minor leagues. Olker, a pitcher, has compiled a 7-2 record in ten games so far this season.

Survivors include his wife, Barbara; two sons, Jeremy and Randy at home; his father and step-mother, George and Cecelia Ullsch Sr. of Antioch; four brothers; and two sisters.

Interment was at Hillside Cemetery in Antioch.

Herman Wolff

Funeral services for Herman J. Wolff, 80, of Lake Villa were held on Saturday, June 1 at the Strang Funeral Home in Antioch.

Mr. Wolff died on Wednesday, May 29 at Condell Memorial Hospital in Libertyville. He was born on Dec. 13, 1904 in Libertyville, and had been a life long resident of Lake Villa.

He was a charter member of the Lake Villa Fire Dept. He served on the Lake Villa Grade School Board for many years, and was a former precinct committeeman for Lake Villa Twp. He helped operate the Wolff Family Resort, Sand Lake, Lake Villa, and had also worked at the Great Lakes Naval Base.

Survivors include one son, Michael (Bonnie) Wolff of Grayslake; two daughters, Mary (Robert) Hacker of Rochester, N.Y., and Jane (Cliff) Taylor of Kensington, Calif.; one brother; one sister; and six grandchildren.

Interment was at Highland Memorial Park in Libertyville.

Bucar Ending Term

Albert A. Bucar, O.D. of Antioch, will preside at the annual Congress of the American Optometric Assn., June 24-27, in Las Vegas.

For the past 12 months, Dr. Bucar has served as president of the 24,800-member American Optometric Assn. He has represented the profession of optometry with health professionals in this and other countries, before U.S. governmental bodies and with the public. He has also attended optometric meetings throughout the United States.

In Las Vegas, Dr. Bucar will present his president's report to the American Optometric Association's House of Delegates, the organization's policy-making body. He will also officiate at the opening of the exhibit hall and other meeting events.

Dr. Bucar will continue to serve on the association's board of trustees as immediate past president during the coming association year.

"We're Glad You Asked"

What Is The Medic Alert Program?

The Medic Alert Program is a national, non-profit organization that provides a clearinghouse for information on special health problems of its members. Each member, is supplied with a small medallion on a chain or bracelet, engraved with information about his health problems. For example, the jewelry may be inscribed "allergic to penicillin" or "wearing contact lenses."

In addition, the organization keeps on file additional information on its member's health. In the event of an emergency, medical workers can call the national organization (it is located in California) to get this information. It could be vital in medical treatment.

We can tell you where to write to find out more about the Medic Alert program. Please call us for more information.

When Hitting Highway, Consider Bus Comfort

TRAVELIN' AROUND

June is the magical month when school is out and vacations get underway. It's a month for freedom, visiting new locations and enjoying fresh scenery. Whether for the day or several, each trip offers new things to see, do and enjoy.

Quickie trips are attractive to school-free families during vacation months. They can be single days, half days or weekends. Historical and educational emphasis makes them even better.

Nearby, the Museum of Science and Industry, at 57th and Lake Shore Drive in Chicago, can move visitors to other lands. For the first U.S. showing, ancient and mysterious India can be visited. India's history, culture and science is presented

street-level, without having to drive their car. Motor coach tours emanating from the Chicagoland area, provide broad opportunities at reasonable prices. One such group is the Mayflower Tours with adult-oriented trips that vary from two days upward. This year they added "off the ground" which incorporates motor coach and air transportation via Northwest Orient Airlines. Others include water cruise programs. A call to Mayflower Tours at (312) 960-3430 will bring their 30 trip schedule and tour tips for pampered all expense trips.

Another suburban motor coach tour firm offers a summer discount program for the younger travelers. On the Road Tours, at (312) 852-8666 makes life pleasant for child travelers—recreationally and pricewise. They offer a 50 percent discount from regular tour prices for children between ages six and 17, who room with an adult. On the Road Tours lean toward the family in their planning. Of interest is a three day program to Mark Twain's Hannibal, Missouri area, or a three day "Ol' Man River" cruise on the Mississippi.

A day cruising, shopping or passing through Chicago can be highlighted by a visit to the John Hancock Building's sky high observation deck some 94 stories above Michigan Blvd. It's a popular spot for about a half million annual visitors and within walking distance of beach, Lincoln Park Zoo and sightseeing lake cruises. Big John is at 875 N. Michigan. Observatory tours begin at 9 a.m. Admission charges of \$2.50 is discounted for youngsters, seniors students and military.

Discriminating RV travelers might enjoy a year round site for their unit, not too far from home, but definitely outdoors and uncrowded. The Ports of Sullivan Lake, (800) 248-PORT is opening such an area in Lakemoor, near the Illinois Chain O' Lakes. Its woods and water oriented to 100 acres of lake and pond surface. Buy the lot, enjoy the amenities—no time-share or condos.

daily in special shows which charge modest admissions and begins at 9:30 a.m. However, there is no charge for admission to the museum or their parking facilities. During the India festival, native foods may be sampled. Also, enjoy a myriad of handicrafts and related merchandise displays. For details, call (312) 684-2093. Arrangements can be made for groups, as well.

For those wishing to sample the country at

Comfort and Economy

Bus-touring is becoming more popular all the time for travelers who enjoy "close up" sightseeing at a leisurely and economical pace. Big air-conditioned coaches provide comfort and safety—and hefty discounts for children traveling with adults.

Circus Museum Brings 'History To Life'

The Circus World Museum in Baraboo, Wis., will kick off its 27th season with mammoth bells and mystifying illusions. The museum is open daily to the public through Sept. 8, from 9:30 a.m. to 6 p.m.

The colossal Ringling Bell Wagon, which has been restored this year by the museum's wagon restoration crew, will make its concert debut after 35 years of silence. The historic, six-ton wagon, on loan from the Ringling Bros. and Barnum & Bailey Circus, will be featured in daily concerts on the museum grounds and will appear in the Great Milwaukee Circus Parade on July 14. The vehicle's nine mammoth bells play when levers are pulled.

On June 1, Theatre of Illusion will open on the museum grounds. This magical stage show extravaganza will highlight the magic art employed by such great conjurers as Thurston and Houdini in circuses of yesteryear.

A new Wheelwright Shop display, depicting the working shop of the craftsmen who made ornate circus wagon wheels, has been added to the museum's fine collection of historic exhibits.

The Big Top will be the site of many new exciting circus acts. The Ayala family will demonstrate such death-defying feats as Miguel's tight-wire walk and

Michelle's hair suspension routine from the dome of the 40-foot-high tent. The Circus World Museum will also host some of the world's finest animal acts, including William Woodcock's highly skilled elephants and Trudy Strong's Appaloosa horses and dalmatians trained to perform at liberty. Happy the Clown will delight both the young and the old with his clown capers.

Petitions Available

"Nomination petitions for the Nov. 5, nonpartisan school board election are currently available at the county clerk's office and all school board secretaries," announced County Clerk Linda Hess. Petitions can be circulated beginning May 28. Filing dates are Aug. 19 through Aug. 26.

Voters will go to the polls in November to elect representatives to their local school boards, community college districts and trustees of the Regional Board of School Trustees.

Questions about petition filing can be answered by calling the Elections Dept. at (312) 689-5928.

Lions, Faculty Fete Athletes

On May 30, some 230 Antioch High School senior athletes, cheerleaders, pom-pom, color guard, individual state qualifiers, most valuable athletes in each sport and their parents attended the 44th Annual Lions Club Athletic Banquet. Athletes, coaches and sponsors were guests of the Lions Club.

Rick Bowen, assistant varsity basketball coach at the University of Wisconsin was the evening speaker. Bowen stressed the importance of developing marketable skill, and getting an education first and foremost. He said that athletes are great but they are an extension of the educational process. One should set educational goals first and then athletic goals.

Lion Glen Hendrickson acted as toastmaster for the evening and welcomed the guests. Senior Brenda Webb represented the athletes and gave the response. Father Robert Tonelli from St. Peter's Church gave the in-

vocation. Lion Bill Seemann introduced the board members present.

Also introduced were John Ploss, University of Wisconsin basketball player and former Antioch star, along with Mr. and Mrs. Doug Ploss and Mr. and Mrs. Roger Andrews.

Principal Arthur Blecke thanked the Lions Club for their fine banquet and turned the program over to Ward Lear, athletic director, to present the special award athletes. Vice President John Wolf, with the assistance of Lion Seemann, made the awards as the accomplishments of the Most Valuable and the senior nominees for Outstanding Senior Athletes and Cheerleader were noted by Lear.

The following were awarded medals as the Most Valuable in the various sports: volleyball, Shannon Gooch; field hockey, Cindy Darland; cross country, Chris Eberman; tennis,

Michelle Morgan; cross country, John Staerk; golf, Scott Johnson; soccer, Shawn Wiltse; football, Bob Johnson; bowling, Jeri Gutowski; gymnastics, Sara Hamlin; basketball, Brenda Webb; wrestling, Calvin Knutsen; basketball, Brad Poulter; softball, Tracey Goodyear; track, Debbie Adams; baseball, Jim Kauth; tennis, Pat Bruks; and track, Dave Hart.

The nominations for the James J. Walsh Outstanding Senior awards were: cheerleading, Tammi Pedersen and Kelly Weldin; senior girl athlete, Debbie Adams, Tracey Goodyear, Michelle Mitchen, Cheryl Styskal, and Brenda Webb; senior boy athlete, Michael Dydo, Dave Hart, Calvin Knutsen, and Brad Poulter.

The 1984-85 Outstanding Senior Cheerleader was Tammi Pedersen; Senior Girl Athlete, Tracey Goodyear and Outstanding Senior Boy Athlete, Dave

Hart. Congratulations were given to all these fine athletes.

NEAR WEEK'S HOROSCOPE

BY SALOME

Aries (Mar. 21-Apr. 19) The best way to get the Lamb's leg up on the ladder of success is to act with confidence. Forget the awful rumors. Continue to show good cheer and you'll soon get good news to hear.

Taurus (Apr. 20-May 20) It can be a "Bull's" market if you use your high aspects to good advantage. Take stock of your personal inventory. Chuck out those habits that have inhibited your progress. Move forward.

Gemini (May 21-June 20) How to choose between two upcoming opportunities? Take the one you can handle now. It will make it easier for you to move into the other area with its larger rewards later on.

Cancer (June 21-Jul. 22) Time becomes an important factor in your life again. A choice requires a quicker decision than you expected to have to make. You already know your reply. Don't delay. State it.

Leo (Jul. 23-Aug. 22) The care you show a loved one now will be returned in good measure. Don't assume your concern is not needed just because it's not asked for. Make the first emotional move now.

Virgo (Aug. 23-Sept. 22) Words become important tools or weapons that may be used for you or against you. Wait before you allow anger to weight your words down with bitterness.

Libra (Sept. 23-Oct. 22) Good for you. Taking the lead and moving into the center not only draws attention to you, but also draws your attention to opportunities you may have missed otherwise.

Scorpio (Oct. 23-Nov. 21) Money signs are positive. Higher paying opportunities may soon appear, but could require unexpected travel. Get family advice before making major moves.

Sagittarius (Nov. 22-Dec. 21) Travel looms large in your aspect. Part is recreational; part is for business. A chance meeting with an old associate revives half-forgotten plans for an important venture.

Capricorn (Dec. 22-Jan. 19) Invite all associates to a gala gathering. You avoid jealous reactions and gain new boosters since merriment soon makes allies even out of adversaries.

Aquarius (Jan. 20-Feb. 18) Caution continues to be your best suit for developing relationships. Let others make their honest intentions clear before you make your true feelings known.

Pisces (Feb. 19-Mar. 20) Recent job efforts pay off in several ways. At home, expect to hear some startling news from a family member. Continue the self-improvement routine. It pays off.
